provides indispensable information for student research American Women Writers of the 19th Century Heidi M. Hanrahan, 2025-04-03 The nineteenth century was a period of prolific literary production from women writers including figures such as Louisa May Alcott Harriet Jacobs and Zitkala a who played pivotal roles in American literary history Despite facing societal forces aimed at silencing them women writers found ways to assert their voices and contribute to the intellectual and political debates of the era Their works contribute to conversations on a wide range of topics including art gender social reform slavery abolition economic and social inequality national expansion Native American dispossession and the changing identity of the nation Both retrospective and forward looking their written works found diverse audiences of men women and children This book functions as a comprehensive guide to understanding the breadth of nineteenth century women s writing exploring not only the writers and their texts but also the literary periods genres and key cultural historical and social movements that shaped their works By examining these authors impact on American literary traditions and their role in cultural discourse it highlights the lasting relevance of their work in both historical and contemporary contexts

Women and Work Christine Leiren Mower, Susanne Weil, 2010-08-11 While issues surrounding women and work may be more subtle today than in the past problems of workplace equity child rearing and domestic labor pose problems of balance that continue to evade solution as women today face substantial shifts in the meanings and practices of marriage work and reproduction amid a globalized economy The essays in *Women and Work The Labors of Self Fashioning* explore how nineteenth and twentieth century US and British writers represent the work of being women where work is defined broadly to encompass not only paid labor inside and outside the home but also the work of performing femininity and domesticity How did nineteenth and twentieth century US and British writers revise then contemporary social assumptions about who should be performing work and for what purpose How fully did these writers perceive the class implications of their arguments for taking jobs outside the home How does work both inside and outside the home contribute to female identity and conversely how does it promote what legal theorist Kenji Yoshino terms the demands of covering women s strategic use of stereotypes of femininity and masculinity to succeed in the marketplace In articles appropriate for both upper level undergraduate and graduate students in literature and literary history women s studies feminist and gender studies contributors engage these questions covering both canonical and popular middlebrow nineteenth and twentieth century writers such as Gilman Cather Alcott Schreiner Wharton Le Sueur Gissing Wood Lewis and Mitchell *Women and Work* will also interest scholars concerned with this developing discourse **The Importance of Reinventing Oscar** , 2021-11-01 The present collection of essays is the outcome of the Oscar Wilde conference held at the Technical University of Dresden 31 August 3 September 2000 The papers cover a wide range of historical and comparative aspects they look into the status of Wilde as poet dramatist essayist and intellectual during his own times as well as investigate the meaning of his work for subsequent writers and critics thus giving an outline of the Wildean history of literary reception intellectual discourse and

media transformation Intellectually brilliant and challenging Oscar Wilde had been a favourite of the late Victorians performing the roles of the dandy and the poet of art for art's sake However due to his questioning of prevalent moral double standards and his insistence on the autonomy of art he was indicted for gross indecencies convicted and sent to prison Instead of being ostracised he became a source of inspiration for writers and artists on the British isles as well as on the European continent The papers in this volume explore such topics as Wilde's concepts of socialism and aestheticism his fashioning of the femme fatale and of the dandy his use of fashion and of simulation his impact on modernism and postmodernism as well as on genres such as crime writing and fictional biography and the influence of Wilde on writers such as James Joyce W B Yeats Joe Orton Peter Ackroyd Tom Stoppard David Hare and Mark Ravenhill Other papers focus on the reception of Wilde in Russia former Yugoslavia Hungary and Germany as well as on cinematic and Internet representations of Wilde Critical and creative responses vary from the general to the specific from traditional assessments to analyses of the arts of camp parody and pastiche thus indicative of the sub cultural appropriation of Saint Oscar Terry Eagleton

Breeding and Eugenics in the American Literary Imagination Ewa Barbara Luczak, 2016-04-29 A disturbing but ultimately discredited strain in American thought eugenics was a crucial ideological force in the early twentieth century Luczak investigates the work of writers like Jack London and Charlotte Perkins Gilman to consider the impact of eugenic racial discourse on American literary production from 1900 1940

Owen Wister and the West Gary Scharnhorst, 2015-03-16 Westerns are rarely only about the West From the works of James Fenimore Cooper to Gary Cooper stories set in the American West have served as vehicles for topical commentary More than any other pioneer of the genre Owen Wister turned the Western into a form of social and political critique touching on such issues as race the environment women's rights and immigration In Owen Wister and the West a biographical literary account of Wister's life and writings Gary Scharnhorst shows how the West shaped Wister's career and ideas even as he lived and worked in the East The Virginian Wister's claim to literary fame was published in 1902 but his writing career actually began in 1891 and continued for twenty five years after the publication of his masterpiece Scharnhorst traces Wister's western connections up to and through the publication of The Virginian and shows that the author remained deeply connected to the American West until his death in 1938 Like his Harvard friend Theodore Roosevelt Wister was the sickly scion of an eastern family who recuperated in the West before returning to his home and inherited social position His life story is punctuated with appearances by such contemporaries as Frederic Remington Rudyard Kipling and Ernest Hemingway Scharnhorst thoroughly discusses Wister's experiences in the West including a detailed chronology of his travels and the writings that grew out of them He offers numerous insights into Wister's adroit use of sources and provides revealing comparisons between Wister's western works and the writings of other authors treating the same region The West Scharnhorst shows was the crucible in which Wister tested and expressed his political opinions most of them startlingly conservative by present standards Yet The Virginian remains the template for the western novel today More than

any other Western writer of the past century and a half Wister's career merits resurrection **Mimicry and Display in Victorian Literary Culture** Will Abberley, 2020-06-11 The book reveals how Victorians biologized appearance reimagining imitation concealment and self presentation as evolutionary adaptations **Companion to Literature** Abby H. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present **Women and Fairness** Eva Lambertsson Björk, Jutta Eschenbach, Johanna M. Wagner, 2021-05-07 This collection brings together scholars from various disciplines to ask fundamental questions concerning how women handle the manifold impediments placed before them as they simply attempt to live full human lives The collection explores narratives of women real and fictional who fight against these barriers who succumb to them who remain unaware of them or choose to ignore them It explores the ways we read women in cultural production and how women are read in society We assert the obstacles constructed into the very fabric of societies against fifty percent of the population are unfair be they hindrances for women to attain their goals encumbrances that limit women's speech and societal participation communal and artistic or hindrances that prohibit specific behaviors and images of women Encyclopedia of Women Social Reformers Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women's struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world **Essay and General Literature Index** Minnie Earl Sears, Marian Shaw, Dorothy Herbert West, 2000 Includes List of books indexed published also separately Westerns Victoria Lamont, 2016-08 At every turn in the development of what we now know as the western women writers have been instrumental in its formation Yet the myth that the western is male authored persists Westerns A Women's History debunks this myth once and for all by recovering the women writers of popular westerns who were active during the late nineteenth and early twentieth centuries when the western genre as we now know it emerged Victoria Lamont offers detailed studies of some of the many women who helped shape the western Their novels bear the classic

hallmarks of the western cowboys schoolmarms gun violence lynchings cattle branding while also placing female characters at the center of their western adventures and improvising with western conventions in surprising and ingenious ways In Emma Ghent Curtis s *The Administratrix* a widow disguises herself as a cowboy and infiltrates the cowboy gang responsible for lynching her husband Muriel Newhall s pulp serial character Sheriff Minnie comes to the rescue of a steady stream of defenseless female victims B M Bower Katharine Newlin Burt and Frances McElrath use cattle branding as a metaphor for their feminist critiques of patriarchy In addition to recovering the work of these and other women authors of popular westerns Lamont uses original archival analysis of the western fiction publishing scene to overturn the long standing myth of the western as a male dominated genre

Atavistic Tendencies Dana Seitler, 2008 The post Darwinian theory of atavism forecasted obstacles to human progress in the reappearance of throwback physical or cultural traits after several generations of absence In this original and stimulating work Dana Seitler explores the ways in which modernity itself is an atavism shaping a historical and theoretical account of its dramatic rise and impact on Western culture and imagination
