Major, 2003-01-01 **The Molly Maguires** Francis Percival Dewees, 1877 *Making Sense of the Molly Maguires* Kevin Kenny, 2023 Twenty Irish immigrants suspected of comprising a secret terrorist organization called the Molly Maguires were executed in Pennsylvania in the 1870s for the murder of sixteen men Making Sense of the Molly Maguires offers a narrative history of dramatic story traces the origins of the Molly Maguires to Ireland and for this twenty fifth anniversary edition reflects on the enduring memory of the Molly Maguires in American popular culture *The Molly Maguires* Anthony Bimba, 1932 Reference notes pages 137 139 *The Molly Maguires* Wayne G. Making Sense of the Molly Maguires Kevin Kenny, 1998-02-12 Twenty Irish immigrants suspected of belonging to a secret terrorist organization called the Molly Maguires were executed in Pennsylvania in the 1870s for the murder of sixteen men Ever since there has been enormous disagreement over who the Molly Maguires were what they did and why they did it as virtually everything we now know about the Molly Maguires is based on the hostile descriptions of their contemporaries Arguing that such sources are inadequate to serve as the basis for a factual narrative author Kevin Kenny examines the ideology behind contemporary evidence to explain how and why a particular meaning came to be associated with the Molly Maguires in Ireland and Pennsylvania At the same time this work examines new archival evidence from Ireland that establishes that the American Molly Maguires were a rare transatlantic strand of the violent protest endemic in the Irish countryside Combining social and cultural history Making Sense of the Molly Maguires offers a new explanation of who the Molly Maguires were as well as why people wrote and believed such curious things about them In the process it vividly retells one of the classic stories of American labor and immigration **The Molly Maguires** F. P. (Francis Percival) Dewees, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Molly Maguires* Francis Percival Dewees, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1877 edition Excerpt without inquiring into minute particulars For him to have manifested curiosity would have been to arouse suspicion so that of necessity he was compelled to await developments and take the chances of gaining more accurate information The fact was that the man to be murdered was Thomas Sanger and that this murder with some others never attempted had been in contemplation for some time Sanger was a man of good character and of an amiable disposition He was between thirty and forty years of age enjoying the esteem and confidence of S M Heaton

but it was afterwards ascertained that by reason of some act done in the pursuit of his duty he acquired the ill will of some of the Mollies and his death was determined upon The year previous 1874 Bucky Donnelly took the matter in hand pointed out Thomas Sanger to Patrick Butler and said that he wanted him killed At another interview with Butler when a man named Patrick Shaw was present he proposed that the two should commit the act For some reason they never made the attempt For the purpose of showing the difficulties which beset the path of McKenna and of illustrating not only with what readiness a murder would be conceived but also how readily it would be abandoned in short the little account in which human life was held several incidents in the history of Patrick Butler may here be given Patrick Butler who will be remembered as being on the committee with McKenna to decide to whom belonged the credit of having murdered Gomer James is a young man who joined the order in August 1873 He joined the Raven s Run Division of which Bucky

The Sons of Molly Maguire Mark Bulik,2015-01-01 Sensational tales of true life crime the devastation of the Irish potato famine the upheaval of the Civil War and the turbulent emergence of the American labor movement are connected in a captivating exploration of the roots of the Molly Maguires A secret society of peasant assassins in Ireland that re emerged in Pennsylvania s hard coal region the Mollies organized strikes murdered mine bosses and fought the Civil War draft Their shadowy twelve year duel with all powerful coal companies marked the beginning of class warfare in America But little has been written about the origins of this struggle and the folk culture that informed everything about the Mollies A rare book about the birth of the secret society *The Sons of Molly Maguire* delves into the lost world of peasant Ireland to uncover the astonishing links between the folk justice of the Mollies and the folk drama of the Mummers who performed a holiday play that always ended in a mock killing The link not only explains much about Ireland s Molly Maguires where the name came from why the killers wore women s clothing why they struck around holidays but also sheds new light on the Mollies re emergence in Pennsylvania The book follows the Irish to the anthracite region which was transformed into another Ulster by ethnic religious political and economic conflicts It charts the rise there of an Irish secret society and a particularly political form of Mummery just before the Civil War shows why Molly violence was resurrected amid wartime strikes and conscription and explores how the cradle of the American Mollies became a bastion of later labor activism Combining sweeping history with an intensely local focus *The Sons of Molly Maguire* is the captivating story of when where how and why the first of America s labor wars began
