Dougherty, 2000-11 One minute Trey Hanrahan is president of a 26 billion bank the next his bank is targeted for takeover by a powerful Mafia crime family The mob wants the bank for its billions in cash confidential records and its international connections in order to boost their worldwide illegal activities The syndicate s front man is Carl Berger sharp as a stiletto He conceives the clever takeover plan sells his crime bosses on the idea then surreptitiously convinces the bank s largest shareholder to go along with the sale Hanrahan fights the takeover with a three prong defense plan that will uncover the mob s criminal activities force the syndicate leaders into open federal court and shine the unwelcome light of publicity on their illegal operations However in fighting the takeover Hanrahan knows he risks not only his job but also his life THE BANK is the story of two powerful men whose lives have crossed since childhood and whose ambitions fuel this multi billion dollar conflict

Modeling Monetary Economies Bruce Champ, Scott Freeman, Joseph Haslag, 2011-05-09 This textbook is designed to be used in an advanced undergraduate course The approach of this text is to teach monetary economics using the classical paradigm of rational agents in a market setting Too often monetary economics has been taught as a collection of facts about existing institutions for students to memorize By teaching from first principles instead the authors aim to instruct students not only in the monetary policies and institutions that exist today in the United States and Canada but also in what policies and institutions may or should exist tomorrow and elsewhere The text builds on a simple clear monetary model and applies this framework consistently to a wide variety of monetary questions The authors have added in this third edition new material on money as a means of replacing imperfect social record keeping the role of currency in banking panics and a

description of the policies implemented to deal with the banking crises that began in 2007 **The Godsons** Carl Palmieri, 2007-10-22 Tracing 37 years in the life of one powerful Sicilian American organized crime family THE GODSONS is a story that cries out to be heard A decade in the making and based on years of painstaking research and historically documented accounts this novel gives the reader insight into the greatest power shift in the history of our nation a shift that has affected virtually every state in the union While many of the characters in the book are fictional much of the story is based on real events that have occurred and continue to occur in our country and around the world every day Appealing to readers interested in learning more about the secretive inner workings of the U S government THE GODSONS exposes the corruption of government at all levels and explains how through one unholy alliance a single family is able to tear down centuries of laws and traditions and dominate U S policy to the White House and beyond **The dotCrime Manifesto** Phillip Hallam-Baker, 2007-12-29 Internet crime keeps getting worse but it doesn't have to be that way In this book Internet security pioneer Phillip Hallam Baker shows how we can make the Internet far friendlier for honest people and far less friendly to criminals The dotCrime Manifesto begins with a revealing new look at the challenge of Internet crime and a surprising look at today's Internet criminals You'll discover why the Internet's lack of accountability makes it so vulnerable and how this can be fixed technically politically and culturally Hallam Baker introduces tactical short term measures for countering phishing botnets spam and other forms of Internet crime Even more important he presents a comprehensive plan for implementing accountability driven security infrastructure a plan that draws on tools that are already available and rapidly emerging standards and products The result a safer Internet that doesn't sacrifice what people value most power ubiquity simplicity flexibility or privacy Tactics and strategy protecting Internet infrastructure from top to bottom Building more secure transport messaging identities networks platforms and more Gaining safety without sacrificing the Internet's unique power and value Making the Internet safer for honest people without sacrificing ubiquity simplicity or privacy Spam draining the swamp once and for all Why spam contributes to virtually every form of Internet crime and what we can do about it Design for deployment how to really make it happen Defining security objectives architecture strategy and design and evangelizing them **United States Attorneys Bulletin** , 2003 *Hidden Lives and Human Rights in the United States* Lois Ann Lorentzen, 2014-07-23 The most comprehensive collection of essays on undocumented immigration to date covering issues not generally found anywhere else on the subject Three fascinating volumes feature the latest research from the country's top immigration scholars In the United States the crisis of undocumented immigrants draws strong opinions from both sides of the debate For those who immigrate concerns over safety incorporation and fair treatment arise upon arrival For others the perceived economic political and cultural impact of newcomers can feel threatening In this informative three volume set top immigration scholars explain perspectives from every angle examining facts and seeking solutions to counter the controversies often brought on by the current state of undocumented immigrant affairs Immigration expert and

set editor Lois Lorentzen leads a stellar team of contributors laying out history theories and legislation in the first book human rights sexuality and health in the second and economics politics and morality in the final volume From family separation to human trafficking to notions of citizenship this provocative study captures the human costs associated with this type of immigration in the United States questions policies intended to protect the American way of life and offers strategies for easing tensions between immigrants and natural born citizens in everyday life The Best of Book Bonanza Lee Bennett Hopkins,1980 Provides information and advice for teachers and librarians on the effective use of children s literature in the classroom

The Sting Nick McKenzie,2012 It was a David and Goliath style battle Australian investigators up against a global organised crime empire What seemed like an impossible task resulted in one of the most ambitious investigations in the world infiltrating international money laundering streams and exposing the global crime bosses in control of the world s drug trade The Sting is the never before told story of the ongoing efforts of Australia s most secretive and powerful law enforcement agency to topple the new face of organised crime This is a tech savvy billion dollar empire with tentacles reaching across the world from outlaw motorcycle gangs to powerful Asian crime syndicates to law and government agencies This is not a conventional story of good versus evil It chronicles criminal law enforcement and political tactics through the eyes of its major players the criminal investigators the international crime bosses the senator the drug cook and the investigative journalist and exposes what many in power don t want the public to know European Money Trails Ernesto Savona,2014-04-23 European Money Trails examines trends in organized crime across Europe including money laundering methods and the mechanisms and instruments used to conceal the disposal of the proceeds of crime By drawing on primary and other authoritative sources Savona provides a report on national experiences of criminal organization unavailable elsewhere It will prove especially useful to policymakers and users as well as scholars looking to understand the criminal dynamics that underlie sophisticated international offending **Forbes** ,1987
