begins during the Bicentennial It is America's 200th birthday Camner has just been awarded the title of Most Artistic Body of 1976 in a body painting contest But at the moment he is sitting in the shallow end of the Atlantic Ocean about to run naked through a very crowded beach He is not doing it for fun He is doing it because he has no choice Seconds after his run begins several angry men are giving chase in an attempt to kill him So sets the stage for a life that becomes one wild problem after another There are encounters with the most bizarre characters this planet has to offer including a talking dog a guy who claims that he and his invisible companion are on the lam from a police force from another planet a woman who fries up Manhattan sewer rats for dinner and the Devil himself just to name some of the saner ones After the streaking episode which turned into a run for his life the book hurls us back to the early 1960s where as a young boy the author is trying to figure out who he is Finding himself in direct competition with the next door neighbor's talking dog the boy transforms himself into several memorable characters including a werewolf a superhero a mad scientist a fake musician and a secret agent All of these lead to disastrous moments Still he plods along convinced that he is destined for something 17 proves to be a difficult and pivotal year with the loss of his grandfather who taught him wisdom the hard way and that one should always wear socks when kissing a girl Devastated by the loss the author threatens to use martial arts that he doesn't know how to use on a future homicidal drug kingpin becomes a criminal himself gets repeatedly attacked by a man running for public office and loses his virginity to an outfielder's mitt Needing an outlet other than sex with baseball gloves he finds that he has a knack for poetry In 1979 at the age of 22 he heads for New York City to take his place in the literary world Somehow it clicks and he finds his voice as the headliner with the West End Poetry Troupe New York provides several narrow escapes a taste of fame collisions with a vast array of human oddities and an on stage confrontation with a waiter that left the waiter possibly dead and our hero in hiding This led to a breakdown and a three month period of seclusion with no human contact whatsoever Snatched from death by his father he returns to Miami for a brief stint as a beach bum and falls for a Midwestern girl Following her to Chicago his life is threatened by her father so he returns to Miami and meets another girl who makes his life a nightmare because he bought her a Nutty Buddy ice cream cone instead of the cherry Popsicle she wanted Narrowly escaping being murdered by a transvestite hooker he heads for Los Angeles to be rich and famous His screenplay Duck Duck Goose creates havoc in Hollywood causing an affair between two Hollywood producers and the break up of a prominent management team Distraught over the mess his screenplay has caused he turns to acting falling under the protection of Hell's Angels on one film and ruining a 30 000 scene in another He befriends the Mayor of Munchkinland takes up with a psychotic bitch in Beverly Hills and risks his life to save the lives of some hummingbirds Feeling confident after rescuing the hummingbirds he creates and hosts the worst talk show in the history of television where he interviews Death among other offbeat celebrities and soon embarks on a mission to seek out celebrity ghosts Avoiding fame and fortune like no one else has Camner exits Los Angeles and returns to Florida where he almost gets murdered in a swamp After a confrontation with a
