The Mop With A Mind Of Its Own Red Shooting Star:

Shooting Star Paul Rees, 2023-08-03 A masterpiece Beautiful tragic and immaculately researched Matt Everitt Elliott was one of the best songwriters of our day and a formidable musician Beck There s an undercurrent of real sadness in a lot of his music and that s just really the way he was Steve Drozd Flaming Lips In 2003 Steven Elliott Smith died from two stab wounds to the heart To this day the autopsy evidence remains inconclusive as to whether the wounds were self inflicted or the result of homicide Either way this tragic end to Elliott s short lived though prodigiously talented life became the dark denouement of a story riddled with depression mental illness addiction and chronic substance abuse Yet it is also a story of worldwide critical acclaim of Oscar nominations and of some of the finest recorded music of the late twentieth century Now two decades after Elliott s death Shooting Star seeks to encapsulate the many complexities of this shy funny engaging enigmatic musician and his desperately troubled soul With contributions from those closest to Elliott who have not previously spoken about their friend this masterful biography places the singer songwriter s vulnerabilities and decline within the broader context of all that he achieved the sheer stark beauty of the records he made and the resounding impact they went on to have across a whole spectrum of contemporary music This is the definitive account of Elliott Smith a once in a generation artist
