***The Grapes of Wrath (2 vols.)***, 2009-01-01 The Grapes of Wrath A Re Consideration is a collection of essays compiled by Steinbeck bibliographer Michael J

Meyer in celebration of the novel's seventieth anniversary. Following the pattern of previous books in the Dialogue series, this study presents analyses by senior Steinbeck scholars and also introduces several new voices. Issues addressed include accusations about the novel's sentimentality, speculations about its status as a work of naturalism, and questions about its experimental structure. In addition, the language and imagery of the novel, its religious overtones, and its reputation as a radical work of art are revisited with fresh insights. Because *The Grapes of Wrath* holds iconic stature as an American masterpiece, both scholarly and lay readers will welcome this two-volume set since it includes many new avenues of approach that will encourage greater insights, deeper understandings, and further explorations of the complexities of Steinbeck's achievements in this classic work of art.
