The Mormon Revelations Of Convenience:

The Mormon Revelations of Convenience Floyd Currie McElveen,1978-01-01 **This Life** Alan Overline,2022-11-03

At the time that America became a nation we were an approximately 98 5% Christian nation that number has astoundingly decreased as is clearly seen in the present demise of the morality of our nation Every hour that passes without a reverse in this moral declension brings us closer to a non reversible judgment The crisis is the of lost souls that will no longer be able to become converted The clock is running out The compilation of this book is the byproduct of approximately fifty thousand hours of dedication and devotion in the study of God s Word combined with the study of numerous theologians and and lovers of God Word such as St Augustine and Martin Luther I also studied many highly respected apologists This Life was written during the approximately eight years I spent behind bars both in county jails and prison including juvenile lock ups and group and foster homes from the age of fourteen going forward I was already a chronic alcoholic by age fourteen My purpose in writing this book is to show how in the last two hundred years we went from being a 98 5% Christian nation to where we are today morally I need not quote the present percentage as the empirical evidence is crystal clear as to where America is today morally and spiritually Sodom is the first word that comes to my mind The demise of the morality of America as a nation is seen both spiritually and physically and in word and deeds Only the eyes of the Spirit can truly see what God is doing and how close we are to an irreversible crisis a total destruction Even nuclear war is not out of the question The signs around us are everywhere and are neon The heart of mankind has never been so selfish hard and cold The bible says Because lawlessness has increased most peoples love has grown cold The battle between good and evil is now at a fever pitch at its peak but people don t realize that every war has an ending We are now seeing the largest hurricanes and forest fires on record The highest drug overdoses and the highest rate of suicides on record Morally and sexually America has gone off a cliff People don t even blush at homosexuality and lesbianism Gay marriage are you kidding me This is such a mockery of our Holy God My book written with much divine inspiration will hopefully enlighten many Christians and non Christians alike to fulfill the great commission before it s too late Alan K Overline Preacher Man *Everything You Ever Wanted to Know About Mormonism* John Ankerberg,John Weldon,2019-11-13 This definitive work covers every aspect of the history beliefs and practices of Mormonism Answers the crucial questions How Did Mormonism Begin Are Mormon Revelations from God How Powerful Is the Mormon Church Today Is Mormonism a Christian Religion What Is the Mormon View of Christianity What Is the Mormon View of Jesus Christ What Does the Mormon Church Teach Concerning Salvation What Does the Mormon Church Believe About the Afterlife Were Early Mormon Leaders Practitioners of the Occult This book comprehensively traces the roots of Mormonism and examines all of its major doctrines **What Do Mormons Really Believe?** John Ankerberg,John Weldon,2002-01-01 Mormons say they are Christians but are their claims true Are the differences minimal Authors Ankerberg and Weldon go beyond the seeming similarities to look candidly at the Mormon

teachings that are clearly incompatible with orthodox Christianity asking questions such as Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Are there levels of heavenly glory In clarifying the meanings of terms Mormons use and their views on the Bible Ankerberg and Weldon reveal the chasm between Mormonism and traditional Christianity This clear well written guide equips readers to use the truths of God s Word to defend the faith *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book

Two Came Knocking : (dealing with Mormon Missionaries) Betty L. Clark, 2004 After finding questionable techniques in prospecting members the author was determined to tell the other side of the Mormon s story a far cry from what the elders say Their claims are absurd chapter after chapter prove it Scripture Twisting James W. Sire, 2009-09-20 How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it With new religious cults springing up almost daily and old ones growing rapidly this is more and more common How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years James Sire author of *The Universe Next Door* and *How to Read Slowly* has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view Sire also handles twisted translation overspecification virtue by

association ignoring the context and other flawed interpretations A book to help us all become better readers of the Scriptures

Damned Deceptions Dennis Knotts, 2020-02-12 Jesus gave His believers a very clear warning Take heed and let no man deceive you The problem with deception is that those who are deceived do not know that they are deceived Deception is the tool of Satan to try and lead people away from the salvation that God has promised through His Word the Bible This manuscript explores the history doctrines and teachings of two major cults analyzing them to see if they comply with the promises God makes in His Word or are they deceptions designed to lead people astray and into outer darkness Damned Deceptions also follows the logic of the teachings of these cults to see what they are actually claiming and offering their followers Do people truly realize what they are saying when they teach their doctrines These are beliefs that you cannot get wrong because if you have been deceived and are wrong God's Word tells us that you will be damned If what you believe about God the Bible and Jesus is wrong wouldn't you like to know the truth This book offers just that the truth based upon what God says in His Word This book looks at the Bible as a legally binding contract between God and man It reviews and analyzes the teachings of Jehovah's Witnesses and the Latter day Saints in light of contract law to see if their teachings and doctrine would hold up in a court of law or are they nothing more than deceptions that will lead believers to be lost for eternity

The Divine Supermarket Malise Ruthven, 2012-04-30 A perfect guide and crazy concept It's a rocking good read and something of a pocket guide to hell Time Out Travelling in a battered camping van Malise Ruthven set out across America in search of the manifestations often bizarre and sometimes terrifying of its religious spirit The journey took him from the dark woods of Puritan New England to neo Nazi cults in the Rockies from Mormons and Snake handlers to fundamentalist groups who challenge the teaching of evolution from Channellers in California to the sexual and financial scandals surrounding millionaire TV preachers The Divine Supermarket is his zesty and brilliantly observed account of the journey offering illuminating and humorous insights into the quirky soul of modern America

Systematics Critical and Constructive 2: With Compendium Interactions Ronald R. Ray, 2022-06-14 A Christian systematic theologian should read widely think deeply and share ideas concerning the biblical meaning of Christian Faith as do biblical theologians But for systematics the decisive focus is on the normative significance of Christian faith for today having taken account of insights from various disciplines from biblical and historical theology in particular and from the systematic theologies that one finds helpful In its critical and constructive effort this volume is much indebted to the writings of a wide range of systematic and biblical theologians Sometimes in the background but often in the foreground is biblical analysis and interpretation This writing never just expounds the ideas of particular systematic or biblical theologians but utilizes them where helpful for articulating Christian Faith
