Disaster At Sea William Flayhart, 2005-03-22 Flayhart delivers a gripping chronicle of mishap and mayhem filled with danger and heroism and rich with detail Sea Power A colorful and deadly history of ocean liner disasters from the mid nineteenth century to the present Disaster at Sea is a chronicle of the most frightening episodes in the maritime history of the North Atlantic From 1850 to the present day the Atlantic has been home to hundreds of ocean liners and cruise ships each more lavish than the last all of them symbols of wealth and luxury Perhaps this is why readers have always been fascinated by the lives of these ships and their deaths Many of us know the stories of the Titanic and the Lusitania Both tragedies caused tremendous loss of life even as they made the ships immortal But there are many little known accounts of extraordinary survivals at sea such as the Inman and International liner City of Chicago that jammed her bow into an Irish peninsula in 1892 but stayed afloat long enough for all to be rescued or the City of Richmond that survived a dangerous fire in 1891 and a year earlier the City of Paris whose starboard engine exploded at full speed in the mid Atlantic and yet miraculously still made port Often such tales are forgotten even if the ship sank In 1898 the Holland

America liner Veendam hit a submerged wreck and sank at sea but all lives were saved so this vessel's dramatic story seemed less important in maritime history than incidents involving human loss. As recently as 2000 the Sea Breeze I sank off the East Coast of the United States while on a positioning voyage but all her crew members were rescued in a heroic effort by U S Coast Guard helicopters. These stories and many others are dramatic and acclaimed maritime scholar William Flayhart has spent much of the last forty years in search of material from which to create colorful narratives. Author of *The American Line 1871-1902* and coauthor of *Majesty at Sea* and the first edition of *QE2*, Flayhart retells classic ocean liner disaster stories while bringing to light never before published but compelling episodes in man's ongoing battle with the sea. Originally published in hardcover under the title *Perils of the Atlantic* *Hearings* United States. Congress. House, 1935

Enchanted Evenings Geoffrey Block, 2009-10-30 This second edition offers theater lovers an illuminating behind-the-scenes tour of some of America's best musicals. Geoffrey Block provides a documentary history of each of the eighteen musicals he discusses. He reveals how the American musical evolved from the 1920s to today both on stage and on screen and how librettist, lyricist, composer, and director work together to shape pieces. book cover **Lost at Sea A.** Hoehling, 1999-01-30 *Lost at Sea* features the incredible stories of eight ships and their passengers, some of which vanished with hardly a trace or no trace at all. Veteran history and mystery writer A. A. Hoehling explores these previously unexplained maritime mishaps with the skill of a detective seeking to uncover a murderer.
