Pot of Gold Judith Michael, 2013-03-26 In this sensational novel Judith Michael takes one of our most universal fantasies and spins it into glorious spellbinding reality. Claire Goddard is thirty-four years old, of modest means, and looks like she has raised her teenage daughter Emma by herself, working as a designer but without the confidence or means to fully realize her talent. Her only indulgence once a week is buying a lottery ticket. Then one week she wins sixty million dollars. Overnight everything changes. She quits her job, indulges in the shopping spree of a lifetime: new house, new clothes, new car, new hairstyle and makeup, and then treats herself and Emma to a celebratory cruise in Alaska. There they meet Quentin and Brix Eiger, handsome, glamorous, a wealthy entrepreneur. Quentin sweeps Claire into his fast-lane, fashionable world, while his temperamental son Brix engages Emma in her first love affair. Suddenly Claire and Emma are living in the glittering, colorful world of wealth and power. But inside the rainbow, all is not what it seems.

Daisies P. A. Nelson, 2012-11 The woman I approached looked very different than my twin sister did the last time I saw her. Could this be a ruse, somebody pretending to be my long-lost identical twin sister? But what would be the object of such an action? Our family didn't have any money, and we certainly couldn't have come into the view of some gangster or national embezzler. We are an average farming family who had to give up farming and resort to becoming employees of small local businesses. Surely nobody would target us for a scam. If it really is Anastasia, why all the cloak-and-dagger moves? Surely she wouldn't lie to me and make up some impossible story about her life and why she had been lost from us for so many years. When she removed her sun glasses, I knew it was Anastasia, my identical twin sister who had gone to a lot of trouble to hide her identity from her new world. My heart dropped to the ground as I sat down across from her. Where had she been all these years, and what happened to make her deny her family and who could hate her enough to want to kill her? I had hundreds of questions I wanted to ask, but she had given me a script that I had to abide with because we were both in danger for our lives just sitting here talking.
