**Twelve Days in Persia: Across the Mountains with the Bakhtiari Tribe** Vita Sackville-West, 2025-09-12T00:00:00Z A year after Vita Sackville West first travelled to Iran a journey described in the classic *Passenger to Teheran* she returned to the land that had so captured her imagination For twelve days with her husband and three friends she embarked on a difficult and often dangerous journey through the rugged and wildly beautiful Bakhtiari Mountains of south western Iran It was a landscape that affected Sackville West profoundly inspiring what is arguably some of her most lyrical prose in the same year she wrote her acclaimed poem *The Land Interwoven* with her magical descriptions of the landscape she also wrote of her encounters with the Bakhtiari tribe as they embarked on their epic annual migration The way of life of the Bakhtiari a people claiming descent from Fereydun hero of the *Shahnameh* has now all but disappeared the result of persecution by Reza Shah and the encroachments and temptations of modernity Sackville West's descriptions of their everyday life are thus a valuable and illuminating portrayal a vanished world A book that reveals as much about its author as the country through which she travelled *Twelve Days in Persia* is a classic of travel writing on Iran and a must have for all Bloomsbury devotees and travel enthusiasts

Lunsford, 2010-11 The late 1920 and early 1930 s was the time of the Great Depression Little or no work was available so people could earn money for survival All mountain families grew vegetables kept a milk cow and raised some hogs Those who owned their mountain farms lived well by working hard and managing well They cut timber to sell and earn a little money necessary for clothing and other things they couldn t grow It was widely known that gold had been found in the mountains Men would put in endless hours panning for gold in the small mountain streams Now and then someone would find a gold nugget Most of the time it would be the size of a pea or maybe the size of a marble Gold was a symbol of wealth When someone found a nugget and word got around everyone would be talking about Uncle Ben striking it rich However I never knew of anyone selling his gold for a pile of money One day I realized that gold nuggets were not only present in these mountains but that there were golden nuggets in the experiences of my life in these mountains It is with great joy that I share these stories with anyone who cares to read them Fred Lunsford

Sparks of the Mountain Jordan Batt, 2023-09-22 Isabel liked the way her life was not looking for a change Though life seems to have something else in mind as dark magic starts flying throughout the air As the storm of battle rattles on it takes a unique plan to get the village out of the witches line of sight All the while trying to keep the secrets of her little cabin Suddenly responsible for more than she would have ever thought her quiet life seems to be rocked more than the shaking ground Damien has come to offer aid once he heard about the attack of dark witches Only to find himself surrounded by children and tripping over his feet waiting to get the attention of one little she wolf that had more secrets under her skin than anyone knew Trying to win the battle for the mountains and win over Isabel seems to be a harder task than he would have thought Fighting magic with magic seems to be the only option Though Isabel has to find the courage to show her own powers and admit who she was she couldn t hide behind the walls she built around herself As the dark magic tries to destroy everything in its path the wolves find themselves outnumbered as lightning bolts rain down around them The only way out seems to be the sprits of the warriors that had once faced these powers from beyond Though are the spirits going to answer the call Or is the pack on its own With spells flying throughout the air the only hope is the anger of the spirits and the strength of the trees to hold out with assaults As the smoke clears Isabel finds herself standing there realizing everything had come to an end Well the celebration is going on Isabel and Damien know saying goodbye isn t an option He accepts her the way she is
