The Murder Of Christ:

The Murder of Christ Wilhelm Reich, 2013-07-02 In this profound and moving work the scientist Wilhelm Reich explores the meaning of Christ's life and reveals the hidden universal scourge that caused his agonizing death The Emotional Plague of Mankind Reich contends that man is faced with full responsibility for the murder of Christ all through the ages for the murder of fellow human beings no matter what the circumstances Here is the blunt truth about people's true ways of being acting and emotional reacting Here also the lesson of the murder of Christ is applied to the contemporary social scene The tragedy of Reich's own death points up the fact that the problems presented in THE MURDER OF CHRIST are acute
