*The Mysterious Numerical Bible Code and Other Revelations* Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight [Bible Code Bombshell](#) R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ When Ed Sherman a mathematician with 30 years of experience and Nathan Jacobi an Israeli physicist set out to debunk claims that there were mysterious codes in the Hebrew Old Testament they could not have envisioned the startling conclusions they would reach As Dr Jacobi an agnostic Jew looked for lengthy Hebrew codes about Christ repeatedly he discovered compelling excerpts from the life of the man from Nazareth Time and again Dr Jacobi found that one or two word codes were actually part of much longer encoded sentences that echoed the Gospel accounts Moreover these encoded sentences were extensively embedded in two passages

most widely regarded as prophecies of the crucifixion of Christ Isaiah 53 and Psalms 22 Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand In this highly readable book Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible Unlike other Bible code books this unique book features codes that are phrases and sentences and not just one or two word codes The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics Who Wrote the Bible Code? Randall

Ingermanson, 2013-10-22 What is the truth about the Bible code How can you decide what to believe Why does it matter Around the world men and women are captivated by a theory so incredible that if proven true it would forever revolutionize mankind's view of Scripture Some experts have claimed the Bible contains a code that accurately predicts today's events Others renounce the Bible code theory as unfounded Using a new statistical test that promises to provide an authoritative credible answer to the Bible code debate computational physicist Dr Randall Ingermanson leads you on an easily understandable meticulously planned investigation of the evidence at hand addressing the most urgent questions surrounding the Bible code controversy and carefully examining how recent findings could affect your faith **The**

**Numerical Structure of the Holy Bible** Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **The Other Bible Code** Val

Pym, 2010-09-02 Book Overview What does the future hold for Planet Earth That is the critical question for these troubled times Christians believe that the Bible holds the answer Ultimately the Kingdom of God will come On Earth as it is in Heaven That much is certain however just how and when that will happen is often the subject of debate In The Other Bible Code the author shows that God has encrypted the destiny of the Church and the world into the history of His chosen people Israel This Code brings breakthrough revelation which will encourage the Church to rise up and fulfil its destiny in the Earth The Church of Jesus Christ is the instrument through which God works to fulfil His purposes in the world Events in Israel's history will guide us on whom the ends of the ages have come 1 Corinthians 10:11 The Code shows that we are living in very significant times and though the future holds much upheaval there is also great victory and glory ahead for the Church Kirkus Reviews Pym a retired lay pastor offers a new perspective on interpreting the Bible to determine what will happen during the end times and how Christians should focus their efforts now in light of that ultimate destiny Pym's prose is clear and she cites scripture regularly in order to support her interpretation the topics Pym discusses are inherently controversial

Center and Pentagon Historical documents confirm the supernatural darkness when Jesus was crucified Advanced scientific statements provide compelling evidence the Bible was inspired Incredibly modern medical statements prove that God inspired the Scriptures Hundreds of accurate prophecies demonstrate the Bible is supernatural **God in Our Midst** Christopher H.K. Persaud,2003-09-25 Are we approaching the end of history as we know it Are we approaching the end of history as we know it Wars and rumors of wars The ongoing conflict in the Middle East Pestilence and natural disasters Threat of nuclear chemical and biological warfare Unmitigated hedonism and immorality Hitherto unparalleled blasphemy and sacrilege Is there any hope for mankind Journey with the author as he relives experiences in which he is convinced God played an important role Research with him as he examines the reasons for so much suffering in the world Analyze with him a Book that he claims has the answers to all of mankind's problems and that reveals where we are heading Allow him to introduce you to the one Person who can make all the difference as you prepare to confront the inevitable deciding where you will spend eternity **Christianity-People Places, Events Through the Years - A Chronology** Edward J Babine,2005 This book is a handy historical reference that may be used by Sunday school teachers divinity students clergy and others who have a general interest in people places and events in Christianity throughout the last two thousand years The items over 2100 are arranged in chronological order and includes Apostles Evangelists Reform Leaders Martyrs Emperors Popes and Antipopes Bible Versions well known hymns renowned Cathedrals Patron Saints Holy Mary apparitions Scholars Colleges and Universities Crusades major events and much more The Quest For Truth Michael Dedivonai,2012-08-30 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man's conscious in the middle of the night for thousands of years Today's amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten

mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why     The Dna of Scripture Karl L. Dahlstrom,2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of Gods unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universeto the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe     *Secrets of a Faith Well Lived* Christopher Coppernoll,2010-06-15 In the pages of this book you are invited to share in candid conversations with modern day disciples and learn firsthand about their struggles their families their mission their dreams and their hearts As you admire from afar the Christian leaders of our time do you ever wonder what it would be like to live their lives to think their thoughts to believe their faith This fascinating book by Christ Coppernoll brings their opened hearts to the printed page Through the close up lens of personal interviews with bestselling authors Max Lucado Frank Peretti Sheila Walsh Scotty Smith Tony Campolo Patsy Clairmont and more you will glimpse the intimate secrets of faith that have shaped these influential men and women     *A SPECK OF ATLANTIS - BIMINI: THE TOP OF GOD'S MOUNTAIN* Norbert H. Kox,2009-09-12 This art book is a visual and written documentation of a modern day visionary and his journey into the heart of Bimini It links the Island of Bimini to the lost continent of Atlantis and contains 149 color images painted on Bimini by internationally acclaimed visionary artist Norbert H Kox His writings suggest the probable connection between the last remaining speck of Atlantis and this tiny island in the Atlantic located directly within the Bermuda Triangle The writings postulate interdimensional portals and possible time travel in agreement with quantum physics explaining subtle energies that interact with and affect our physical world The research is well documented and the paintings are stunning The

artworks in this book represent eleven years of painting and research on the Island of Bimini and although they do not all correlate with Atlantis and the energy of the Universe they are a documentation of Kox's art exhibitions on the Island Soft cover 8 1/2 X 11 118 pages      **"Seventy-Sevens Are Decreed"** Ron Haydon, 2016-11-04 Few passages in the Old Testament are as enigmatic as Daniel 9:24-27. It makes sense therefore that a myriad of interpretations surround these four verses. Expanding on Brevard Childs's brief work on Daniel, Haydon responds to this question with a canonical approach to Dan 9:24-27, reading a text that is shaped to include future generations of faithful interpreters. The first part lays the groundwork for a canonical approach. Whereas most biblical scholars read Daniel 9 through the lens of historical and composition critical tools, Childs and his readers frame the chapter within the larger theological message of the book. The second section is an interpretation of 9:24-27 in its canonical context, doing exegetical and theological work in tandem. Daniel 9:24-27 is of course an apocalyptic text, leading the reader through the Antiochene crisis and beyond. The theology of the chapter, however, asks us to look back to the Law and the Prophets. Leviticus 25:26 and Jeremiah 25:29 are integral to Daniel 9. Traditions begun in the preceding corpora, rest, sin, debt, and kingdom (Lev 26:34-35; Jer 25:10-12, 29:10-14) find their culmination in Dan 9:24-27. Haydon's study brings these texts to bear on the seventy-sevens in Daniel 9:24. After a careful study of the phrase's background, we discover that the construction refers to more than a number or even a single event. This time image points to a larger pattern of rulership wherein leaders rise and fall (vv 25-26) while the Ancient of Days remains the true King. Ambiguity also plays a part. Daniel 9:24-27 lacks historical detail for a reason, namely to create an interpretive space that a faith community can occupy. The final form of Dan 9:24-27 is a theological construct allowing multiple generations to live in expectation of God's rule. A biblical theology of Daniel 9:24-27, moving into the New Testament and contemporary Christian reception, concludes Haydon's study.      Is There Evidence for the Christian Faith? Craig A. Williams, 2001-11
