Burns,2022-12-01 This encyclopedia is the perfect guide to the weird magical superstitious and supernatural beliefs of people from all over the world This book is devoted to those human beliefs that fall in the gray zone between science religion and everyday life call them superstitious supernatural magical or just wrong In an often incomprehensible world where lightning or plague could end life quickly or drought could condemn a poor family to agonizing death superstitious beliefs gave people a feeling of understanding or even control They have continued to shape societies and cultures ever since This book covers a range of superstitious supernatural and otherwise unusual beliefs from the ancient world to the early 19th century More than 100 entries explain beliefs discuss historical evidence and explain how each belief differs across cultures This book is a perfect gateway for anyone curious about superstitious and magical beliefs with topics ranging from the everyday such as dogs and iron to legendary figures such as Hermes Trismegistus and the Yellow Emperor The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks,2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian

Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight *Discovering the City of Sodom* Steven Collins, Latayne C.
