**Jesus: The Person and the Mission** John R. Morris, 2024-06-14 This book is a search for the Jesus of history the Jesus experienced by his disciples during his public life Its objective is to discover the authentic words and deeds attributable to Jesus with historical certitude It accounts for his Jewish religious background and the historical context in which he carried out his mission Central to this work is Jesus relationship to his Abba and his personal understanding of his mission Special attention is devoted to the major events and teaching of Jesus his baptism his miracles his preaching and parables and his Last Supper The Jesus of history the person and his words and deeds are foundational for the faith of the early church and the written Scriptures that followed his death and resurrection They are also foundational for contemporary faith This book is based on and benefits greatly from the most recent biblical and theological scholarship It attempts to make manageable a large amount of scholarly literature that can be intimidating to the casual reader Its aim is also to serve both faith and theological enquiry by providing an effective source for the reader s personal reflection intellectual curiosity and a basis for faith

*Understanding the Atonement for the Mission of the Church* John Driver, 2005-07-06 At the very center of the Christian faith is Jesus a crucified Messiah All the wisdom and the power of God have been revealed in him Apart from such wisdom and power no genuine Christian experience is possible Unfortunately Western Christianity has been so conditioned by Constantinian presuppositions that it has failed to take into account the centrality of the crucified Messiah It has been far more preoccupied with worldly wisdom and worldly power than with faithfulness to the gospel of the kingdom It has concentrated on the salvation of the individual soul but has frequently disregarded God s purpose to create a new humanity marked by sacrificial love and justice for the poor In the classical theories on the atonement the work of Christ was unrelated to God s intention to create a new humanity Driver here demonstrates that the covenanted community of God s people is the essential context for understanding the atonement The reconciling work of Christ creates a reconciling community where all the barriers that divide humankind break down Driver s book is an invitation to look at the cross not merely as the source of individual salvation but as the place wherein begins the renewal of the creation the new heavens and the new earth that God has promised and that the messianic community anticipates May many readers heed its message

**Dictionary of Mission** Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe s most eminent missiologists in the country where the scientific and sustained study of mission first took shape the Dictionary of Mission represents the finest of the chorus of voices that

comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the Dictionary of Mission is a road map through this exciting and challenging terrain from the Foreword

**Mission Foundations and other Essays** S. Nkhoma, 2020-07-09 The first two essays in this book examine the biblical and philosophical basis for mission in the post modern world emphasising the experiential quality of mission over against the rational Subsequent essays discuss various aspects of mission with a focus on the Malawian context They highlight the impact of missionary work on the formation shaping and developments of Malawi as a national state Other essays examine various issues in New Testament scholarship including images of the Historical Jesus and how these relate to wisdom and apocalyptic traditions

**The Nature and Mission of the Church** Jean-Marc Flückiger, This is an academic work of the highest quality but Jean Marc Flückiger presents it in a way that makes it very accessible far beyond academic circles It is a testament to his sharp intellect but even more to his love of God commitment to The Salvation Army and heartfelt dedication to the Church's mission in the world Henrik Andersen Territorial Leader of The Salvation Army Switzerland Austria Hungary Jean Marc Flückiger's book is a welcome reflection on the missionary impulse of Christian churches I found it particularly helpful to consider the interplay of the three main ingredients of mission namely worship of God community life and service to the world Christophe Chalamet Professor of Systematic Theology University of Geneva

**The Missions and Missional Purpose of Ephesians** Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1:3 and the missional church is grounded in an exposition of Eph 4:6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4:6

**Mission, Ministry, Order** David Noel Power, 2008-06-01 What is the mission of the church What are the ministries that further its mission How should the traditional orders of bishop overseer priest presbyter and deacon be reconsidered in the light of 21st century challenges and ecumenical unity These big questions

involve a constellation of neuralgic issues both within the Roman Catholic Church and between it and its sister churches both East and West women priests women bishops married priests lay ministries the unaccountability of bishops to their flocks The rapid decline of priests in the US has led to an enormous number of lay people in leadership positions but they can't preside at the Eucharist the heart and soul of Catholic identity and practice and their roles are nebulous undefined and severely constrained Catholic women are voting with their feet over the church's failure to ordain women Lay theologians men and women now outnumber priest theologians but have little standing in the church outside of academia Far reaching agreements on theological issues have been made between Roman Catholicism and Anglicanism and Lutheranism but the practical consequences e.g. shared Eucharists are nil It is against this background that David Power the doyen of sacramental theologians in North America has written a magisterial work on the mission ministry and order of the church that is historically comprehensive theologically progressive ecumenically and globally focused and practical in its prescriptions

**The Mission of the Triune God** Adam Dodds, 2017-07-31 Lesslie Newbigin was arguably the greatest missionary thinker of the twentieth century After a successful missionary career in south India Newbigin pioneered missionary engagement with the secular West and resurgent Islam He also led the way in arguing that the Church's mission can only be understood in light of the doctrine of the Trinity Over fifty years ago Newbigin called for the further development of missionary thinking grounded in the Triune being of God This work is in response to that call Adam Dodds provides the first in depth study of Newbigin's trinitarian theology of mission Dodds constructs a systematic account of the central features of the mission of the Triune God the Triune being of God the mission of the Son the mission of the Holy Spirit and the mission of the church This book contributes to our understanding of the work of Lesslie Newbigin offers a systematic theological account of the mission of the Triune God and contributes to the retrieval of Christian mission from the theological margins back to a place of central importance to Christian theology [The Mission of the New Spirit Revelation](#) Rudolf Steiner, 2021-04-28 What would we be without love We would inevitably become isolated and gradually lose all connection with our fellow human beings and our fellow creatures in the natural world Rudolf Steiner In this rich previously untranslated collection of lectures Rudolf Steiner approaches and illumines the figure of Christ from manifold directions and perspectives Christ the being of love is for the body of the Earth what the heart is within our individual organism Given throughout 1911 the year before Rudolf Steiner split from the theosophists citing fundamental disagreements over the true nature of Christianity the lectures reflect Steiner's intensifying emphasis on the central deed of the Christ being in Earth evolution whilst in tandem demonstrating the truths of reincarnation and karma He reveals profound vistas of human development and paths of advancement over many lifetimes in which Christ is to be our steadfast companion and exemplar Lectures include Faith Love Hope Original Sin and Grace The Effect of Moral Qualities on Karma The Importance of Spiritual Enquiry for Moral Action Wisdom Prayerfulness and Certainty in Life The Birth of the Sun Spirit as Earth Spirit The

**Approaching: How You Can Know That Jesus Christ Is Coming Soon** Jeffrey Horton, 2017-06-15 Behold I stand at the  
 door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3  
 20 Wouldn t it be great if you could open the door invite Jesus into your home and ask Him when He s coming back All the  
 confusion about the events surrounding Christ s return would vanish as He explains the Scriptures to you You would have  
 your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your  
 understanding That s exactly what this series does by unfolding in an easy to follow manner what God s Word shows us and  
 what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our  
 understanding surrounding the events of Christ s return The New Testament apostles received these keys from Jesus Himself  
 Over the centuries these revelations were lost or watered down leaving us flustered and even fearful That s not God s will It s  
 time to let the Word speak for itself with a message of comfort hope and victory See the Day Approaching begins the  
 Emmaus Road journey with the one thing God s Word says you need to know about God s timetable It not only shows you how

you can know that Jesus is coming soon but why it is so vital that you know how to number the Days Your eyes will be opened to the timing of the rapture the signs of the end of this age and even a sneak peek at what lies ahead Despite what you may have heard we are meant to know It s in God s Word      **Von Balthasar & the Option for the Poor** Todd Walatka,2017 Hans Urs von Balthasar s vast corpus of theological philosophical literary and pastoral writings remains one of the most impressive achievements in 20th century thought In light of liberation theology and now the papacy of Francis however a theological affirmation of the option for the poor remains dangerously weak in Balthasar s corpus Von Balthasar and the Option for the Poor offers a sympathetic reforming of Balthasar s account of the drama of salvation what he calls theodramatics in response to this weakness      **Christian Mission in the Modern World** John Stott,Christopher J H Wright,2016-01-15 Jesus sends us into the world just as God the Father sent him and yet Christians continue to disagree on what this involves Some believe that the focus of Christian mission is evangelizing and saving souls Others emphasize global justice issues or relief and development work Is either view correct on its own John Stott s classic volume first published forty years ago presents an enduring view of Christian mission that is just as needed today Newly updated and expanded by Christopher J H Wright Christian Mission in the Modern World provides a biblically based approach to mission that addresses both spiritual and physical needs With his trademark clarity and conviction Stott illuminates how the Great Commission itself not only assumes the proclamation that makes disciples but also teaches obedience to the Great Commandment of love and service Wright has expertly updated the original book and demonstrates the continuing relevance of Stott s prescient thinking This balanced approach to mission encourages current and future Christians to embrace an unconflicted and holistic model of ministry      **Unity in Mission** Mitzi Budde,Donald A. D. Thorsen,2013      *Towards African Missiology* Francis Anekwe Oborji,2020-11-22 This volume reflects on a credible and a new language of Christian mission in Africa The author s thoughts and approaches not only provide a missiological insight which contribute to the repertoire of expanding fresh ideas in the missiological studies but also serves the purpose of highlighting the active participation of Africans in the missionary mandate of Jesus Christ In other words the scope of missiology needs a contextualized interpretation Thus he proposes a proactive language for missiology in Africa thereby underlining Africans as normal and full members of the human family In the light of the Vatican II mission theology the new language should be based on the fact that Africans will grow and do better in admiration and not in sympathy Interestingly the arguments in this volume opens the space for the on going discussions in the mission of the church in the era of secularization and post modernity Consequently a new language for missiology in Africa will come from the retrieval and modernization of our African cultural matrix pursued from the point of view of the daily struggles of the Africans themselves for survival which also addresses Africans in the spirit of cooperation
