Sino Vatican Relations:

Sino-Vatican Relations Ambrose Mong, 2019-01-01 For those interested in Christianity in China the state church relationship and the present Communist regime and its attitude towards religion Sino Vatican Relations offers a wealth of information and insights This work traces the tortuous history of the relationship between the Chinese government and the Roman Catholic Church from denunciation of Communism by the Church to seeking dialogue by recent pontiffs such as John Paul II Benedict XVI and Francis Besides examining the religious policy of China since 1949 and how the Chinese government deals with religious revivals this work also traces the history of the church regarding the appointment of bishops in Europe from its early days to modern times Monarchies in Europe have always been involved in the appointment of bishops Thus the recent agreement between Pope Francis and the Chinese authorities regarding the appointment of bishops has historical precedents The overall aim of this work is to help readers to get the right information needed to have a well informed opinion on the complex matter of the Sino Vatican Relations particularly on the agreement signed by Pope Francis with Beijing in 2018

Sino-Vatican Relations Ambrose Mong, 2019-09-01 For those interested in Christianity in China the state church relationship and the present Communist regime and its attitude towards religion Sino Vatican Relations offers a wealth of information and insights This work traces the tortuous history of the relationship between the Chinese government and the Roman Catholic Church from denunciation of Communism by the Church to seeking dialogue by recent pontiffs such as John Paul II Benedict XVI and Francis Besides examining the religious policy of China since 1949 and how the Chinese government deals with religious revivals this work also traces the history of the church regarding the appointment of bishops in Europe from its early days to modern times Monarchies in Europe have always been involved in the appointment of bishops Thus the recent agreement between Pope Francis and the Chinese authorities regarding the appointment of bishops has historical precedents The overall aim of this work is to help readers to get the right information needed to have a well informed opinion on the complex matter of the Sino Vatican Relations particularly on the agreement signed by Pope Francis with Beijing in 2018

Sino-Vatican Relations Beatrice Leung, 1992-03-26 How can the contemporary claims of communism and national culture be reconciled with a universal religion How can the government of the People's Republic of China with its claim to absolute sovereignty exist alongside the spiritual authority of the Roman Catholic church This conflict between two centres of authority has been at the core of recent relations between the Catholic church and China In this first book length study of the subject Dr Beatrice Leung analyses the interactions between China and the Holy See from 1976 to 1986 Dr Leung examines the historic relationship between the Catholic church and China both prior to 1949 and from 1949 to 1976 She then analyses the major problems between these two institutions as they tried to establish a dialogue for future reconciliation These include the need for the Vatican to transfer its recognition of China from Taipei to Beijing the role of the Pope with his spiritual leadership of Chinese Catholics and the handling of the Chinese

Catholic Patriotic Association The book concludes with suggestions for a basis for church state rapprochement Throughout her work Dr Leung uses Chinese language sources both on the Catholic and Communist sides These are supplemented by a wide range of interviews which the author has conducted in the Vatican in Hong Kong and with members of the official and unofficial Catholic churches inside China itself *Catholicism in China, 1900-Present* C. Chu, 2014-11-18 This volume is the product of scholars of various backgrounds specialties and agendas bringing forth their most treasured findings regarding the Chinese Catholic Church The chapters in this book covering the church from 1900 to the present trace the development of the Church in China from many historical and disciplinary vantage points *Challenges and Policy Programmes of China's New Leadership* Joseph Y. S. CHENG, 2007-04-01 This volume analyzes the new leadership's perceptions of the challenges facing it how it defines its priorities builds up political support for its policy programmes and overcomes the resistance of vested interests Attempts will also be made to evaluate its achievements so far Published by City University of Hong Kong Press

Changing Church and State Relations in Hong Kong, 1950-2000 Beatrice Leung, Shun-hing Chan, 2003-08-01 The transition of the Churches from the traditional colonial setting of Hong Kong in the aftermath of World War II to the mature Christian community of post industrial post colonial Hong Kong is analysed with considerable skill by Beatrice Leung Kit fun and Shun hing Chan The two authors add significantly to our understanding of the dilemmas which confronted not only the Churches in adjusting to the transition from British rule but the wider community as well The book gave detailed account of Hong Kong's church state relationship in metamorphosis It should be an important text for students in both political science and China studies and especially in the history of Hong Kong A timely effort to fill a major gap in the study of Hong Kong society church state relations Students of Hong Kong research will find it most informative and useful But its relevance goes beyond Hong Kong this is a major reference for those who are interested in the areas of sociology of religion civil society political science and East Asian studies The book is the first piece of substantial research to analyze Church State relations in Hong Kong during the critical period of the handover from British to Chinese governance It is certainly an original contribution in such scale to raise the attention on an under studied controversial and important area which may critically affect the changing socio political dynamics in Hong Kong This manuscript is an informative insightful and timely study of Church State relations in Hong Kong over the past 50 years *China's Catholics in an Era of Transformation* Anthony E. Clark, 2020-07-13 This book features a collection of essays on China's modern Catholic Church by a scholar of China West intellectual and religious exchange The essays and reflections were mostly written in China while the author was traveling by train or staying in villages or large cities near to Roman Catholic cathedrals or other important historical sites during research trips to the country It is clear that Clark's understanding of Catholicism in China evolved from the first entry to the final ones in 2019 The essays included in this compendium were written in disparate contexts and in response to different events As such there is no obvious theme or order to the content However despite this the book

provides valuable insights for readers wishing to gain a better understanding of the complex topography of Catholic history in China the contours of which have undergone stark transformations with each dynastic political and ecclesial transition The information presented serves to highlight and explain the lives of Catholic people and the events that have punctuated one of the most significant dimensions of China's long history of friendship conflict and exchange with the West

The Catholic Church in China C. Chu, 2012-10-15 This book traces the history of the Catholic Church in China since the country opened up to the world in December 1978 It comprehensively studies the Chinese Catholic Church on various levels including an analysis of Sino Vatican relations the control over the Catholic Church by the Beijing government the supervision of local Church activities and the consecration of government approved bishops the formation of priests and the everyday lives of Chinese Catholics

Whither China's Democracy? Democratization in China Since the Tiananmen Incident Joseph Y. S. CHENG, 2011-01-01 This weighty monograph offers a thoughtful assessment of one of globally raising China's most profound political issues democratization since the 1989 Tiananmen Incident Not exactly a looking back retrospective nor a typical commemorative work this book harbors a more forward prospecting approach with 13 substantive chapters yielding informed analysis and insightful interpretations of various key issues The core subjects range from legal foundation of Chinese democracy middle class politics Internet based democratization debates and pro democratic mobilizations civic society activism to the external and international media's inputs democracy and China's ethnic minorities and PRC Vatican interface Published by City University of Hong Kong Press

The Catholic Church, The Bible, and Evangelization in China Cindy Yik-yi Chu, 2022-01-01 This edited volume starts from the perspectives of Beijing in how it sees that religion should serve the interests of the state From China's viewpoint religion should act as a stabilizing force of society or else the Christian Churches will lose their reason for existence This might be incomprehensible to Western Christians who believe in the freedom of religion and their right to embrace their faith This collection of articles represents the concerted efforts of Chinese Italians and an American who live in China Europe and the United States and belong to different disciplines such as History Religious Studies and Language Studies to promote a better understanding of the Catholic Church in the world and in China

The Catholic Church in Taiwan Francis K.H. So, Beatrice K.F. Leung, Ellen Mary Mylod, 2017-12-07 This book provides a ground breaking interdisciplinary study of the Catholic Church in Taiwan focusing on the post 1949 Civil War in China through to the present day and discusses the role played by the Catholic Church in contemporary Taiwanese society It considers the situation of the Catholic church of Taiwan during the Japanese Occupation Taiwan Vatican Relations from 1949 onwards and triangular Relations among the Vatican Taiwan and China during Tsai Ing wen's Administration Written from a wide range of perspectives from history and international relations to literature philosophy and education this volume offers an important perspective on the birth and development of the Catholic Church in Taiwan contributing a key work to religious studies in the Greater China Region

Chinese Catholic Church in Conflict Beatrice Leung, William Thomas Liu, 2004 This is

a sociological and historical analysis of the conflict between the state and the Catholic Church in China between 1949 and 2001 during half of a century of the socialist regime The relationship began with conflict followed by accomodation and finally a cooperative spirit had developed for a complex web of political and diplomatic reasons Never in the past the Catholic Church has shown a rigorous growth under the encouragement of the Communist Party to shape the Church in the image of a indigenous and local church and to minimize the influence of the Vatican There remains a persistent struggle between the underground church those who remain loyal to early missionaries and to the Holy See and the official national church controlled by the Party State The authors argue that there is hope that the conflict will eventually disappear as the new leadership in Beijing may one day restore a diplomatic relationship with the Vatican China Joseph Y.S.

CHENG,2012-05-01 This volume presents a timely assessment of the Hu Wen Administration at the juncture of preparing a change of China s leadership in 2012 13 The assessment is important because the administration s apparent success tends to create a path dependent orientation on the part of its successor Bringing together a collection of nineteen major essays this book offers a fresh perspective of evaluating the performance and achievements of China in the Hu Wen era in terms of economic development the establishment of a rudimentary social security system and her rising international status The new opportunities and challenges facing China and how will the likely successors Xi Jinping and Li Keqiang handle those opportunities and challenges as well as new policy programmes will also be discussed in greater detail Each essay is written by experts and scholars from different academic disciplines and backgrounds to provide readers with a unique overview of their respective areas of expertise *Annual Report* United States. Congressional-Executive Commission on China,2005

The Religious Question in Modern China Vincent Goossaert,David A. Palmer,2011-03-15 Recent events from strife in Tibet and the rapid growth of Christianity in China to the spectacular expansion of Chinese Buddhist organizations around the globe vividly demonstrate that one cannot understand the modern Chinese world without attending closely to the question of religion The Religious Question in Modern China highlights parallels and contrasts between historical events political regimes and cultural movements to explore how religion has challenged and responded to secular Chinese modernity from 1898 to the present Vincent Goossaert and David A Palmer piece together the puzzle of religion in China not by looking separately at different religions in different contexts but by writing a unified story of how religion has shaped and in turn been shaped by modern Chinese society From Chinese medicine and the martial arts to communal temple cults and revivalist redemptive societies the authors demonstrate that from the nineteenth century onward as the Chinese state shifted the religious landscape consistently resurfaced in a bewildering variety of old and new forms The Religious Question in Modern China integrates historical anthropological and sociological perspectives in a comprehensive overview of China s religious history that is certain to become an indispensable reference for specialists and students alike **China** Human Rights Watch/Asia,Mickey Spiegel,1997 Suppression of cults **People, Communities, and the Catholic Church in**

China Cindy Yik-yi Chu, Paul P. Mariani, 2020-01-02 This book explores the Chinese Catholic Church as a whole as well as focusing on particular aspects of its activities including diplomacy politics leadership pilgrimage youths and non Chinese Catholics in China It discusses Sino Vatican relations and the rationale behind the decisions taken by Pope Francis with regard to the appointment of bishops in China The book also examines important changes and personalities in the Chinese Church the Catholic organizations and the Catholic communities in the Church offering a key read for researchers and graduate students studying the Chinese Catholic Church the Church in Asia and religion in contemporary China

The Catholic Church and the Nation-State Paul Christopher Manuel, Lawrence C. Reardon, Clyde Wilcox, 2006-08-16 Presenting case studies from sixteen countries on five continents The Catholic Church and the Nation State paints a rich portrait of a complex and paradoxical institution whose political role has varied historically and geographically In this integrated and synthetic collection of essays outstanding scholars from the United States and abroad examine religious diplomatic and political actions both admirable and regrettable that shape our world Kenneth R Himes sets the context of the book by brilliantly describing the political influence of the church in the post Vatican II era There are many recent instances the contributors assert where the Church has acted as both a moral authority and a self interested institution in the United States it maintained unpopular moral positions on issues such as contraception and sexuality yet at the same time it sought to cover up its own abuses it was complicit in genocide in Rwanda but played an important role in ending the horrific civil war in Angola and it has alternately embraced and suppressed nationalism by acting as the voice of resistance against communism in Poland whereas in Chile it once supported opposition to Pinochet but now aligns with rightist parties With an in depth exploration of the five primary challenges facing the Church theology and politics secularization the transition from serving as a nationalist voice of opposition questions of justice and accommodation to sometimes hostile civil authorities this book will be of interest to scholars and students in religion and politics as well as Catholic Church clergy and laity By demonstrating how national churches vary considerably in the emphasis of their teachings and in the scope and nature of their political involvement the analyses presented in this volume engender a deeper understanding of the role of the Roman Catholic Church in the world

Europe and China Roland Vogt, 2012-03-01 This edited volume analyzes the changing nature of the relationship between China and Europe This relationship has been subject to significant shifts and transformations not least because of the enormity of China's social and economic development since 1978 and the political consequences this has brought about in international politics The global financial crisis of 2008-09 and the subsequent sovereign debt emergency in Europe have also altered the nature of the interactions between the two regions China has become a more assertive confident and active player on the global stage Its economic development is now a major pillar of the global economy and its growth has been conducive for a fragile economic recovery to take place in Europe and beyond

Hong Kong SAR Beatrice Leung, 1997 There are already many books on the challenges facing the Hong Kong Special

Administrative Region SAR but this volume has a distinct contribution to make by offering an analysis of the evolving political order in Hong Kong and its international role The team of authors comes from tertiary institutions within and outside Hong Kong and they all have been studying the territory for many years The authors focus on the plans of the Chinese authorities and the expectations of Hong Kong people The gap between the two and the associated difficulties are then analysed The authors also examine the possibilities of crises emerging as well as the contingency plans formulated to deal with them
