*Mensch-Marks* Joshua Hammerman,2019-04-02 The Talmud states In a world that lacks humanity be human In a world as untethered as ours has become simply being human a good person is a measure of heroism At a time when norms of civility are being routinely overwhelmed it may be the only measure that matters Mensch Marks represents Rabbi Joshua Hammerman s personal Torah scroll the sacred text of his experiences the life lessons he has learned along his winding circuitous journey Mirroring 42 steps Israel wandered in the Wilderness Hammerman offers 42 brief essays several of which first appeared in The New York Times Magazine organized into categories of character or mensch marks each one a stepping stone toward spiritual maturation These essays span most of Rabbi Hammerman s life revealing how he has striven to be a mensch a human of character through every challenge Mensch Marks creates a brand new genre It is memoir as sacred story as how to book a series of personal vignettes in dialogue with one another over the span of decades resonating with eternal ideas that span centuries It traces the author s own personal growth while providing a road map for people of all backgrounds seeking a life of moral vision The wisdom is shared not from a pulpit on high but rather from an unfolding story of a fellow traveler one who has stumbled failed and persevered struggling with the questions large and small Through it all Rabbi Hammerman has tried to live with dignity and

grace what he calls the nobility of normalcy He writes If by sharing what I ve learned I can add a modicum of generosity honesty and human connection in a world overflowing with cruelty loneliness and deceit then I ll have done my job The essays cover crucial moments of failure and forgiveness loving and letting go finding deeper meaning in one s work and holiness in the seemingly inconsequential moments of everyday life Rabbi Hammerman ever the optimist believes that we can turn things around one mensch at a time
