C. Beaton,2011-10-31 The conclusion to the delightful series set in a London townhouse from the New York Times bestselling author The house at 67 Clarges Street in fashionable Mayfair has seen many guests all looked after by the quirky staff of servants When the house s owner the Duke of Pelham finally returns he is grimly determined to find a suitable wife but completely unprepared for what the season has to offer The duke s title alone has always brought him more than his share of feminine attention and while he claims to not believe in love he has never been spurned by a lady The duke s self imposed search is soon disrupted by the arrival in London of Miss Jenny Sutherland a spoiled but beautiful country girl whose vanity is her tragic flaw According to her guardian Aunt Letitia lack of competition has made Jenny put on airs in London she will get the set down she sorely deserves Indeed at her first important London party Jenny s blatant disdain for the duke leads to disaster But no one has counted on the intervention of John Rainbird the house s shrewd and resourceful butler The result is a mischievous scheme that will insure Jenny s social success and determine the fate of the close knit family of servants at 67 Clarges Street      Australian Bird Names Ian Fraser,Jeannie Gray,2019-09-02 This second edition of Australian Bird Names is a completely updated checklist of Australian birds and the meanings behind their common and scientific names which may be useful useless or downright misleading For each species the authors examine the many and varied common names and full scientific name with derivation translation and a guide to pronunciation Stories behind the name are included as well as
