**Poetry and the Thought of Song in Nineteenth-Century Britain** Elizabeth K. Helsinger,2015-09-09 In arguing for the crucial importance of song for poets in the long nineteenth century Elizabeth Helsinger focuses on both the effects of song on lyric forms and the mythopoetics through which poets explored the affinities of poetry with song Looking in particular at individual poets and poems Helsinger puts extensive close readings into productive conversation with nineteenth century German philosophic and British scientific aesthetics While she considers poets long described as musical Alfred Lord Tennyson Gerard Manly Hopkins Emily Bront and Algernon Charles Swinburne Helsinger also examines the more surprising importance of song for those poets who rethought poetry through the medium of visual art Dante Gabriel Rossetti William Morris and Christina Rossetti In imitating song s forms and sound textures through lyric s rhythm rhyme and repetition these poets were pursuing song s thought in a double sense They not only asked readers to think of particular kinds of song as musical sound in social performance ballads national airs political songs plainchant but also invited readers to think like song to listen to the sounds of a poem as it moves minds in a different way from philosophy or science By attending to the formal practices of these poets the music to which the poets were listening and the stories and myths out of which each forged a poetics that aspired to the condition of music Helsinger suggests new ways to think about the nature and form of the lyric in the nineteenth century      *A New Library of Poetry and Song* William Cullen Bryant,1925

*Siegfried Sassoon* Jean Moorcroft Wilson,2003 The World War I poet Siegfried Sassoon is one of the twentieth century s greatest icons and Jean Moorcroft Wilson is the leading authority on him In Siegfried Sassoon The Journey from the Trenches the second volume of her best selling authorized biography Wilson completes her definitive analysis of his life and works exploring Sassoon s experiences after the Great War For many people Sassoon exists primarily as a First World War poet and bold fighter who earned the nickname Mad Jack in the trenches and risked Court Martial possibly the firing squad with his

public protest against the War Much less is known about his life after the Armistice Wilson uncovers a series of love affairs with such larger than life characters as Queen Victoria s great grandson Prince Phillip of Hess the flamboyant Ivor Novello and the exotic and bejeweled Hon Stephen Tennant This period also sees Sassoon establishing close friendships with some of the greatest literary figures of the age Hardy Beerbohm E M Forster and T E Lawrence among them Sassoon himself said that most people thought he had died in 1919 But Wilson shows that his poetry is if anything more powerful in the second half of his life Based on a decade of meticulous research and interviews with many who knew Sassoon well much of the material is published here for the first time Siegfried Sassoon *The Journey from the Trenches* completes a fascinating story that is beautifully told     *The Cambridge Book of Poetry and Song* Charlotte Fiske Bates,1882     **AB Bookman's Weekly**,1985     **The Cambridge Book of Poetry and Song** Mme.
