Songs of Ruin A.G. Porter, In a timeless realm cloaked in shadows Thyana relished her solitary existence until the arrival of one known as Mother shattered her world Suddenly she discovers she is not the sole wielder of cosmic power Mesmerized Thyana witnesses the cosmic ballet as Mother forges three formidable siblings each bestowed with their unique gifts unveiling the vastness of her own isolation Her boundless love embraces her newfound kin yet it s the radiant Tepkunset the Goddess of Light and Life who captures Thyana s heart As Tepkunset shapes the first humans with her divine abilities Thyana battles the green eyed monster of envy struggling to mask her true emotions With a burgeoning family Thyana s commitment to protect them transcends even the gods whims even if it means shielding them from their own nature As the clash between the Goddess of Light and the Goddess of Darkness looms over the fate of their creation a cosmic conflict unfolds What ensues when the divine sisters diverge on humanity s purpose in the world they meticulously crafted Brace yourself for an epic tale where love rivalry and cosmic forces collide unraveling the very fabric of existence

Saint Paul Lives on Earth: (...and so does God.) Johnny Bellview,2021-12-27 This is a book that tells all about Saint Paul s past and current lifetimes including Saint Paul s trips to heaven It tells about Saint Paul s interactions with God and it is a real shocker of a book but not on purpose This book also includes everything that I know about reincarnation I am hoping that it could lead to scientific progress in hopes that we can all live forever the way that religion intends This book also tells all about Saint Paul s wonderful mother who is one of the secret heroes of religion This book shows that God became a real wild card and that is how he is able to heal others The greatest healers don t have enough brain space to have morals That space is used for storing the magic to heal others This is a book that everyone can learn from The only reason that I have decided to publish such a dangerous book is because everyone will be able to at least know as much as I know about reincarnation and the promises of the Bible
