Darius Eliot Jones,1869 **Life-study of Proverbs, Ecclesiastes, Song of Songs** Witness Lee,1995 **Life-study of Ephesians** Witness Lee,2023-09-27 The subject of the book of Ephesians is the church There are seven aspects of the church revealed in Ephesians The church is the Body the new man the kingdom the family the dwelling place the bride and the warrior If we put together all these seven aspects of the church we see a wonderful picture of the church as the Body to express Christ as the new man taking Christ as the person as the kingdom with rights and responsibilities as the family with life and enjoyment as God s dwelling place for God to live in as the bride for Christ s satisfaction and as the warrior for fighting the battle and defeating the enemy so that God can accomplish his eternal purpose This is the church The Life study of Ephesians also gives a clear view of the contents of the book of Ephesians In chapter one of Ephesians we have the blessings God s selection predestination sonship holiness redemption sealing pledging and much more Then we shall see the prayer of the Apostle for a spirit of wisdom and revelation to know the hope of God s calling to see the glory of God s inheritance among His saints and to realize the greatness of the power that has been wrought in Christ to produce the Body Then in chapter two we see the production of the church the nature of the church the vision of the church the building of the

church and the function of the church In chapter three we see the revelation of the mystery and the ministry of the stewardship concerning the church Following this we see Paul s prayer for the strengthening of our inner man so that Christ may make His home in our heart that we might be filled with all the fullness of God This causes us to have the practical experience of Christ Then as revealed in the last three chapters we shall know how to walk on earth to bear responsibility and to fight the battle for God s purpose This is the content of the book of Ephesians *Billboard* ,1998-11-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Life-Study of Job, Proverbs, Ecclesiastes, and Song of Songs* Witness Lee,1985-05-01 In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does *Hymns of the Inner Life of the Christian; Or Spiritual Songs Celebrating the Fellowship of the New Testament Mystery ...* Edwin Culver,1873
