

SONGS OF MY MOODS

A FOLIO OF THE YIDDISH POETRY OF
HARRY (HERSHL) ALTMAN

1. The first part of the paper is devoted to a discussion of the general principles of the theory of the structure of the atom. It is shown that the structure of the atom is determined by the laws of quantum mechanics, and that the laws of quantum mechanics are based on the principles of wave mechanics.

2. The second part of the paper is devoted to a discussion of the application of the theory of the structure of the atom to the study of the properties of matter. It is shown that the theory of the structure of the atom can be used to explain the properties of matter, such as the properties of the elements, the properties of the compounds, and the properties of the mixtures.

3. The third part of the paper is devoted to a discussion of the application of the theory of the structure of the atom to the study of the properties of the radiation. It is shown that the theory of the structure of the atom can be used to explain the properties of the radiation, such as the properties of the X-rays, the properties of the gamma rays, and the properties of the cosmic rays.

4. The fourth part of the paper is devoted to a discussion of the application of the theory of the structure of the atom to the study of the properties of the universe. It is shown that the theory of the structure of the atom can be used to explain the properties of the universe, such as the properties of the stars, the properties of the galaxies, and the properties of the universe as a whole.

Songs Of My Moods A Folio Of The Yiddish Poetry Of Harry Hersh Altman:

Songs of My Moods , **Menke** Menke Katz, 2005 Menke Katz 1906 1991 is the only Yiddish poet to become a major poet in English too In his lifetime he published nine book in each language This volume contains an English translation of Menke Katz s complete Yiddish works Illustrated 100 page introduction by Dovid Katz contains numerous rare photographs the collection also features three maps and a preface by publisher Harry Smith Poems were translated by Benjamin and Barbara Harshav **Songs of a Jew (Classic Reprint)** P. M. Raskin, 2015-07-19 Excerpt from Songs of a Jew Every ghetto is now a nest of singing birds But the Yiddish poet has so far made his appearance in English literature only by way of a version of Morris Rosenfeld s Songs from the Ghetto If there is nothing in the present volume that reaches the intensity or the originality of Rosenfeld s In the Sweat Shop that palpitating protest against mechanical drudgery which leaves Hood s Song of the Shirt as far behind as the sewing machine leaves the needle Mr Raskin has yet the unique distinction of expressing himself in English almost as trippingly as in Yiddish It is only in 1910 that this alien immigrant published in his adopted town of Leeds where he seems to have become a Member of the Royal Sanitary Institute a Yiddish collection entitled Ghetto Lieder with a preface by Schalom Aleichem the Yiddish Mark Twain And now he has already mastered English sufficiently to write in the language if not of Shakespeare of Longfellow There are those who in the spirit of Dr Johnson might wish that this feat were not only difficult but impossible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
