Catch a Falling Star Cry Cute High Hopes I Believe Jailhouse Rock Love Potion No 9 and more **The Art Song in East Asia and Australia, 1900 to 1950** Alison McQueen Tokita,Joys H. Y. Cheung,2023-03-31 This book explores art song as an emblem of musical modernity in early twentieth century East Asia and Australia It appraises the lyrical power of art song a solo song set to a poem in the local language in Western art music style accompanied by piano as a vehicle for creating a localized musical identity while embracing cosmopolitan visions The study of art song reveals both the tension and the intimacy between cosmopolitanism and local politics and culture In 20 essays the book includes overviews of art song development written by scholars from each of the five locales of Japan Korea China Taiwan and Australia reflecting perspectives of both established narratives and uncharted historiography The Art Song in East Asia and Australia 1900 to 1950 proposes listening to the songs of our neighbours across cultural and linguistic boundaries Recognizing the colonial constraints experienced by art song composers it hears trans colonial expressions addressing musical modernity both in earlier times and now Readers of this volume will include musicologists ethnomusicologists singers musicians and researchers concerned with modernity in the fields of poetry and history working within local regional and transnational contexts **The French Flute School, 1860-1950** Claude Dorgeuille,1986 *The Music of Chou Wen-chung* EricC.

Lai,2017-07-05 Chou Wen chung is one of the most influential musical figures of our time His rich cultural background his studies with Edgard Var and his interest in the genuine rapport between Eastern and Western musical traditions have been the major influences on his career Although he is active in various artistic and cultural circles that include scholarship education and cultural preservation his major calling has always been composition As a composer Chou has created a group of works whose stylistic innovation and technical profundity are distinctive among composers of his generation His music which has received critical acclaim around the globe documents his creative journey especially in the realization of re merger the fusion of Eastern and Western music that has become a new mainstream in art music Through extensive focus on sketch study Eric Lai examines Chou's music to contribute to an understanding of his aesthetic orientation his compositional technique his role in the development of new music and his influence upon the younger generation of composers *The Flute Book* Nancy Toff,1996 Divides flute music into eras such as the baroque classic romantic and modern traces its

development in countries such as France Italy England Germany Spain the United States Great Britain by regions such as eastern and western Europe and in cities such as Paris and Vienna Includes appendices listing flute manufacturers repair shops sources for flute music and books and flute clubs and related organizations worldwide *The International Cyclopedia of Music and Musicians* Oscar Thompson,1975 *Handbook of Guitar and Lute Composers* Hannu Annala,Heiki Matlik,2010-10-07 In compiling this landmark sourcebook Finnish guitarists Hannu Annala and Heiki Matlik consulted more than 70 music texts as well as dozens of composer resumes acquired from the musical information centers of several countries During the writing process which lasted for more than three years they received additional information from many modern composers including Leo Brouwer and Reginald Smith Brindle among others In addition several internationally renowned performing guitarists provided valuable information these include Magnus Andersson Sweden Remi Boucher Canada Margarita Escarpa Spain Aleksander Frauchi Russia and David Tanenbaum USA among others The authors aim was to write a well structured book with separate chapters for each instrument such as the Renaissance and Baroque guitar the Renaissance and Baroque lute the vihuela etc This unique structure enables the reader to easily discover which composers wrote for a certain instrument during any given period In addition to the composers one would expect to find in such a comprehensive listing the book documents several historical and modern composers for whom little previous information has been available the book s list of more than 400 guitar and lute concertos dating from the Baroque era to the present day is a totally unprecedented Short introductions regarding guitar and lute like instruments as well as their basic histories are provided at the beginning of the book the authors hope that the *Handbook of Guitar and Lute Composers* will serve as a practical guide for both amateurs and professionals encouraging further study of the history of these instruments and expanding the repertoire heard on today s concert stage Catalogue of (printed) music. Music. Accessions, pt.[1]-94 British museum dept. of pr. books,1884 **Portuguese Piano Music** Nancy Lee Harper,2013-01-10 As the first book of its kind Nancy Lee Harper s *Portuguese Piano Music An Introduction and Annotated Bibliography* fills the gap in the historical record of Portuguese piano music from its start in the 18th century to the present While although Spanish piano music is well documented owing to the reputation of such composers as Isaac Alb niz Enrique Granados and Manuel de Falla our knowledge of compositions in the tradition of Portuguese piano music has not fared as well barring the work of Carlos Seixas 1704 1742 This obscurity however reflects poorly on the history of early piano music in light of the many compositions written for fortepiano on behalf of the Portuguese court during the first half of the 18th century Indeed it was in the royal halls of King John V during his reign from 1706 to 1750 where the early fortepiano was frequently heard In *Portuguese Piano Music* Harper explores this rich musical tradition offering a brief introduction to the pianistic history of Portugal and overviews of Portugal s contributions to solo piano music piano in instrumental chamber music piano concerti piano for multiple pianists including with works with electronics and didactic piano While paying close attention to female composers

Harper adds an annotated and graded bibliography that presents readers with a comprehensive inventory of compositions Appendixes include a selected discography list of publishers and other types of critical source information To further illustrate its contents Portuguese Piano Music contains a CD on which Harper performs representative repertoire some of which are world premieres This work is aimed at pianists teachers pupils musicologists and music lovers seeking to discover the remarkable world of Portuguese piano music Dictionary of American Classical Composers Neil

Butterworth,2013-10-02 The Dictionary of American Classical Composers covers over 650 composers active from the 18th century to today Covering all classical styles it offers the most comprehensive overview of key composers in the United States available Entries include basic biographical information and critical analysis of each composer s key works and ideas Entries also include worklists and bibliographic information Whenever possible the entries will have been checked by the composers themselves to assure greatest possible accuracy This new edition completely updated and expanded from the 1984 edition also includes over 200 historic photographs **The Companion to Irish Traditional Music** Fintan
