Cello and Double Bass Ensemble Music Nancy Price, 2016-02-25 Bibliography of Cello and Double Bass Ensemble Music for Three or More Celli and or Double Bases *The Musical Times and Singing-class Circular*, 1924 **Sensibility and**

English Song Stephen Banfield, 1985 This highly acclaimed study of English song is the first detailed account of an unusually fruitful interrelationship between English music and English poetry The period covered is known as the English Musical Renaissance and runs from the last years of the nineteenth century to the Second World War Stephen Banfield traces the late flowering of Romantic impulses in solo song during these years surveying it from critical analytical and historical angles He plots the growth of the English stylistic sensibility in song in the decades leading up to the First World War discusses in detail the plateau it reached between the wars particularly in the 1920s and shows how and why it declined as other musical concerns took the field Poets whose verse was set to music most frequently including Housman Hardy de la Mare and Yeats are treated at length as are pre eminent song composers such as Butterworth Finzi Gurney Ireland Quilter Somervell Stanford Vaughan Williams and Warlock In all more than fifty composers are discussed and numerous individual songs In the final section of the book besides providing an extensive bibliography Dr Banfield catalogues over 5 000 songs giving dates of composition and publication and much other detail listed by composer This comprehensive survey will prove an invaluable reference guide to all students of the subject **Mid-Victorian Poetry, 1860-1879** Catherine

Reilly, 2000-01-01 These two volumes list late and mid Victorian poets with brief biographical information and bibliographical details of published works The major strength of the works is the discovery of very many minor poets and their work unrecorded elsewhere The Musical Times, 1924 High Fidelity, 1967-07 Contains Records in review *The Collected*

Poems of Josephine Preston Peabody (Mrs. Lionel S. Marks) Josephine Preston Peabody, 1927 Billboard, 1964-01-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Poems of W.B. Yeats** Peter

McDonald, 2020-08-18 In this multi volume edition the poetry of W B Yeats 1865 1939 is presented in full with newly established texts and detailed wide ranging commentary Yeats began to write verse in the nineteenth century and over time his own arrangements of poems repeatedly revised and rearranged both texts and canon This edition of Yeats s poetry presents all his verse both published and unpublished including a generous selection of textual variants from the many manuscript and printed sources The edition also supplies the most extensive commentary on Yeats s poetry to date explaining specific references and setting poems in their contexts it also gives an account of the vast range of both literary and historical influences at work on the verse The poems are presented in order of composition and major revisions or rewritings of poems result in separate inclusions in chronological sequence for these writings as they were subsequently reconceived by

the poet This first volume collects Yeats s poetry of the 1880s from his ambitious and extensive juvenilia including hitherto little noticed dramatic poems to his earliest published pieces leading to his first substantial book of verse The pastoral romance of classically inflected early work like *The Island of Statues* is succeeded in these years by the Irish mythic material that finds its largest canvas in the mini epic *The Wanderings of Oisín* In Yeats s work through the 1880s an adolescent poet s youthful absorption in Romantic poetry is replaced by a commitment to esoteric religious speculation and Irish political nationalism This edition allows readers to see Yeats s emergence as a poet step by step in compelling detail in relation to his literary influences including significantly the Anglo Irish poetry of the nineteenth century The commentary provides an extensive view of Yeats s developing personal cultural and historical worlds as the poems gain in maturity and depth From the first attempts at verse of a teenage boy to the fully accomplished writings of an original poet standing on the verge of popular success with poems such as *The Lake Isle of Innisfree* Yeats s poetry is displayed here in unprecedented fullness and detail
