Songs Of My Heart:

Songs of My Heart Lucila Rollins,2013-05-07 A dream is a mysterious realm that has always fascinated me and I have always been fortunate enough to receive a dream or two each night They have always had an ethereal quality impalpable and spiritual The Songs of My Heart are descriptions of dreams I have had that have stayed with me and provided a secret doorway if you will to the world of my childhood and then to an ideal place created by my heart Having access to these sweet remembrances has gladdened my spirit strengthened me in times of sorrow and confirmed my faith and hope in Gods goodness and abiding love My descriptions of these dreams are done in lyrical prose to portray and convey the essence of my dream world as I have known it The second part of this volume Evensong are poems of love and praise delineating the greatness of God and His omniscient presence in our lives I have written of His kindness and mercy to encourage others who may not know Him yet to come and taste the sweetness of the Lord

Songs from My Heart Daisaku Ikeda,2014-10-01 For many years Daisaku Ikeda has

used poetry to express his innermost observations and sensations He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions his poems celebrate the themes of youth and of progress and the mysteries of the natural world whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch These are poignant meditations above all on time transience and the eternal rendered visible through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world Such a world is characterized not by division but by peace and love In that sense these are verses expressive of the author s deepest hopes and sentiments not merely poems but keenly felt songs from his heart The music of my heart [poems].
