Voß, 2023-07-04 Envisioned as a tribe of ruddy faced redheaded red bearded Jewish warriors bedecked in red attire who purportedly resided in isolation at the fringes of the known world the Red Jews are a legendary people who populated a shared Jewish Christian imagination But in fact the red variant of the Ten Lost Tribes of Israel is a singular invention of late medieval vernacular culture in Germany This idiosyncratic figure together with the peculiar term Red Jews existed solely in German and Yiddish the German Jewish vernacular These two language communities assessed the Red Jews differently and contested their significance which is to say they viewed them in different shades of red The voyage of the Red Jews through the Jewish and Christian imagination from their medieval Christian nascence through early modern Old Yiddish literature to modern Yiddish culture in Eastern Europe Palestine and America is the story of this book By studying this vernacular icon Rebekka Vo contributes to our understanding of the formation of minority awareness and the construction of Ashkenazic Jewish identity through visual cultural encounters She also spotlights the vitality of vernacular culture by demonstrating how the premodern motif of the Red Jews informed modern Yiddish literature and how the stereotype of Jewish red hair found its way into Jewish social critiques political thought and arts through the present day Sons of Saviors is a story about power the Yiddish reappropriation of the Red Jews subverted the Christian color symbolism by adjusting the focus on redness from a

negative stereotype into a proud badge of self assertion The book also includes in an appendix the full text of a significant Yiddish tale featuring the Red Jews      *A Perpetual Commentary on the Revelation of St. John* Charles Daubuz,1720      *A Perpetual Commentary on the Revelation of St. John. Wherein is Contain'd* Charles Daubuz,1720      ***A Perpetual Commentary on the Revelation of St. John ... With a preliminary discourse, concerning the certainty of the principles upon which the Revelation of St. John is to be understood. By Charles Daubuz. [With the text in Greek and English.]*** ,1720      ***Sons of Hellenism, Fathers of the Church*** Susanna Elm,2015-09-08 This groundbreaking study brings into dialogue for the first time the writings of Julian the last non Christian Roman Emperor and his most outspoken critic Bishop Gregory of Nazianzus a central figure of Christianity Susanna Elm compares these two men not to draw out the obvious contrast between the Church and the Emperor s neo Paganism but rather to find their common intellectual and social grounding Her insightful analysis supplemented by her magisterial command of sources demonstrates the ways in which both men were part of the same dialectical whole Elm recasts both Julian and Gregory as men entirely of their times showing how the Roman Empire in fact provided Christianity with the ideological and social matrix without which its longevity and dynamism would have been inconceivable      ***A Brief Account of the Society of the Friendly Sons of St. Patrick*** Samuel Hood,1844      *A Preliminary Essay, on the Oppression of the Exiled Sons of Africa* Thomas Branagan,1804      ***A Brief Account of the Society of the Friendly Sons of St. Patrick. With Biographical Notices of Some of the Members, and Extracts from the Minutes*** Society of the Friendly Sons of St. Patrick for the Relief of Emigrants from Ireland (Philadelphia),1844      *Oration delivered before the Sons of Temperance, at Charlestown, N. H., etc* Andrew Leete STONE,1850      ***A New and Complete Concordance Or Verbal Index to Words, Phrases, & Passages in the Dramatic Works of Shakespeare*** John Bartlett,1896      *The Lord of the Dreams* Ron Pirson,2003-04-01 A fascinating and highly original new look at the Joseph narrative which relies a good deal on syntactic and semantic analyses Pirson shows that there are many elements in this story that provoke a significantly different reading of the story of Joseph and his brothers especially when these are combined with some textual aspects previously unnoticed or neglected Special attention is given to the meaning of Joseph s dreams to the question of who actually sold Joseph and to the brothers role in the narrative Pirson also asks why Joseph did not call home after his release from prison and the most important question why did Joseph who was Jacob s favourite son disappear from the biblical history of Israel      *Sons of the Empire* Robert Macdonald,2011-11-01 In *Sons of the Empire* Robert MacDonald explores popular ideas and myths in Edwardian Britain their use by Baden Powell and their influence on the Boy Scout movement In particular he analyses the model of masculinity provided by the imperial frontier the view that life in younger far flung parts of the empire was stronger less degenerate than in Britain The stereotypical adventurer the frontiersman provided an alternative ethic to British society The best known example of it at the time was Baden Powell himself a war scout the Hero of Mafeking in the South African war and one of the

first cult heroes to be created by the modern media When Baden Powell founded the Boy Scouts in 1908 he used both the power of the frontier myth and his own legend as a hero to galvanize the movement The glamour of war scouting was hard to resist its adventures a seductive invitation to the first recruits But Baden Powell had a serious educational program in mind Boy Scouts were to be trained in good citizenship MacDonald documents his study with a wide range of contemporary sources from newspapers to military memoirs Exploring the genesis of an imperial institution through its own texts he brings new insight into the Edwardian age Jesus the Son of God D. A. Carson, 2012 Although it is a foundational confession for all Christians much of the theological significance of Jesus's identity as the Son of God is often overlooked or misunderstood Moreover this Christological concept stands at the center of today's Bible translation debates and increased ministry efforts to Muslims New Testament scholar D A Carson sheds light on this important issue with his usual exegetical clarity and theological insight first by broadly surveying Jesus's biblical name as the Son of God and then by focusing on two key texts that speak of Christ's sonship The book concludes with the implications of Jesus's divine sonship for how modern Christians think and speak about Christ especially in relation to Bible translation and missionary engagement with Muslims across the globe **Catalogue of English Prose Fiction & Juvenile Books ...** Chicago Public Library, 1898
