Soon She Will Be Gone:

Love Me Forever Donna Fletcher, 2023-06-23 He wasn't who she thought he was he was so much more Brianna Cameron has had a difficult married life Finally free of an abusive husband she's now content to live with her brother Ian and his wife Moira of the Clan Maclean Life at last is good for Brianna but not for long A carriage accident leaves her alone and badly wounded in the woods She fears for her fate and when a stranger approaches and she catches sight of his face she screams herself into unconsciousness Royce didn't intend to frighten the injured beauty He simply wants to help her heal Left terribly scarred by a recent battle Royce has sought solitude to help heal more than just his wounds Brianna Cameron finds it difficult to trust any man but the badly scarred Highland warrior is gentle and kind to her and helps to heal not only her physical wounds but also her heart But Royce has a secret that could destroy their love and when danger threatens Brianna's life it's the powerful Highland warrior who comes to her rescue and seals their fate Drops of Dew Kleopatra Kristbjörg, 2010-10-04 My life in a thousand years Bye see you in the next life That's what they sometimes put in words But do they know who sometime say these words that these words are true In this book it tells the destiny of the same woman when experiences life after life The soul preserves its experience from previous lives and looks up those who related to their soul before for good or evil But it's all without conscious Some people take up meditation to experience their past lives others sometimes experience them through hypnotism but I dream about them Often they come to me in bits and then I have to piece them together Those who enter their past lives often recognize the people there as the people who are with them in this life friends or relatives even if they look different or are of a different nationality That is how it works with me I know the people that I have seen in past lives although of course I do not know them all and some I have yet to get to know When I get to know new people I can tell whether I have known them before in a past life or lives I feel like I know some of them and not others and I only connect with the people that I know that is those that I have known in a past life Some people I know in and out and trust completely even though I have never seen them before I have often thought about how peculiar this is and wondered about it but I got an explanation when I experienced my past lives and recognized people there that I feel connected to in this life I decided to keep a record of these dreams write them down in books and last autumn I started to make a story out of them Fact or fiction I do not know but all I can say is this These are my past lives Mine and the other peoples who appear in the stories and they are the same people who are with me today although not all of them When I sleep I return to the past to the olden days and I meet myself and others whom I know today I see the course of my life and that of others throughout many lives and I understand various things that were previously a mystery to me For example why am I interested in this Why do I like him even though I cannot stand him or more to the point even though I should not be able to stand him Why do I dislike this woman even though I do not know her Why is a certain woman such a good friend of mine even though she has so many character traits that I would not tolerate in others Why can I not eat meat Why am I so terrified
