but unlike the rest of her face it was very rapidly sensitive to any change of mood or temper in moments of excitement the shade deepened greatly and as Colonel Markart says in his hyperbolic strain it glowed like angry Venus Without going quite that length we are bound to allow that it was at these moments a conspicuous and striking mark and such it clearly appeared to the eyes of all who saw it La dame à l'étoile rouge says the Marquis The Red starred Witch said the less courteous and more hostile citizens and soldiers of Kravonia Sophy herself appears proud of it though she feigns to consider it a blemish Very probably it was one of those peculiarities which become so closely associated and identified with the personality to which they belong as at once to heighten the love of friends and to attract an increased dislike or hatred from those already disposed or committed to enmity At any rate for good or evil it is as Red Star that the name of Sophy lives to day in the cities and mountains of Kravonia About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Sophy of Kravonia** Anthony Hope, 1925 Kravonia is a principality to be sought on the map somewhere in the vicinity of Zenda and is like most of the states of the mythical group to which it belongs the sport of diplomatic intrigue Its prince is sorely beset by enemies but when he acquires a princess in the shape of a beautiful English maiden transformed from a lowly maid servant into a captivating adventuress his fortunes change and he gives his foes a run for their money Unhappily he is killed just when triumph is at hand and his princess goes into exile cherishing the memory of the glorious weeks of the conflict Mr Hope's hand has lost little of its cunning since the days when he invented Zenda and his Sophy of Kravonia is a capital story

**Sophy of Kravonia** Anthony Hope, 1905  
*Sophy of Kravonia* Anthony Hope, 2012 Unlikely heroine Sophy Grouch was dealt a harsh hand in life Orphaned at an early age she ekes out a meager living as a lowly servant But when a series of events and coincidences give her the opportunity to escape her life of servitude she dives in headfirst and turns things around Will Sophy's astounding good luck hold out or will her shocking secret be revealed

typos from the publisher Not indexed Not illustrated 1905 edition Excerpt M Zbrkovitch s Bedroom Firb OFTEN there are clever brains about us of whose workings we care nothing save so far as they serve to the defter moving of our dishes or the more scientific brushing and folding of our clothes Humorists and philosophers have described or conjectured or caricatured the world of those who wait on us inviting us to consider how we may appear to the inward gaze of the eyes which are so obediently cast down before ours or so dutifully alert to anticipate our orders As a rule we decline the invitation the task seems at once difficult and unnecessary Enough to remember that the owners of the eyes have ears and mouths also A small leak left unstanchd will empty the largest cask at last it is well to keep that in mind both in private concerns and in affairs of public magnitude The King s body servant Emile Lepage had been set a thinking This was the result of the various and profuse scoldings which he had undergone for calling young Count Alexis Prince The King s brief sharp words at the conference had been elaborated into a reproof both longer and sterner than his Majesty was wont to trouble himself to administer he had been very strong on the utter folly of putting such ideas into the boy s head Lepage was pretty clear that the idea had come from the boy s head into his but he said nothing more of that The boy himself scolded Lepage first for having been overheard secondly and as Lepage guessed after being scolded himself very roundly for using the offending title at all Meekly Lepage bore this cross also indeed with some amusement and a certain touch of pity for young Alexis who was not a prince and obviously could not make out why in the books a king s sons were always princes **Sophy of Kravonia**
