Sorcerers Treason:

A Sorcerer's Treason Sarah Zettel, 2012-05-01 1899 Sand Island Wisconsin Bridget Lederle resides in the lighthouse she's tended since her father died Here on the rocky shore of Lake Superior she's alone with the bitter ignominy of her birth the shame of her love child's death and the ghost of a mother she never really knew That all changes on the wintry night she rescues a mysterious charismatic stranger whose boat is nearly dashed upon the rocks After she's nursed him back to health he tells her a fantastical tale of another world where somehow only she can save the beleaguered Empress from sorcerous plottings to usurp the throne His tale is wildly fanciful yet Bridget feels somehow drawn to his world to the empire of Isavalta Kalami her handsome charming patient transports her with him from Lake Superior to a dazzling world that seems like a dream But if Isavalta is a dream Bridget's new life is a nightmare Caught in a magical crossfire between the powerful Dowager Empress her daughter in law and the sorcerers who serve their mistresses and other more subtle ends she doesn't know whom to trust whom to beware With the fate of an empire at stake and her heart torn by conflicting desires she becomes a reluctant player in a deadly game of politics and magic with rules as hard to untangle as the knots in a silken tassel or the threads of a woven rug As she attempts to see beyond the masks of power and discover truth in a world where magical spells can take almost any form each hour she spends in the luxury of Isavalta's court binds her more tightly in the seductive embrace of secrets from her own past and of unfulfilled yearnings she can't deny A stranger in this bedazzling place she must find a path to salvation for herself and for her new otherworldly home but that path seems rockier than the Lake Superior shore she left behind
