Soul Evolution Father:

Soul Evolution Father Arthur Fanning,1995-01-01 Lord God Jehovah as channeled through Arthur Fanning reveals the course humanity must take to lead itself out of its fascination with density and the material into an expanding awareness that each human is a god with unlimited power and potential An enlightening journey into higher consciousness An Earthly Journey: The Story of One Soul's Evolution James Samuelson,2014-06-25 On the surface this book is the story of the author's sixty year journey that takes him from the Midwest to Arizona and finally to Virginia An Earthly Journey tells of those who impacted him on his journey The surface story though important is only one piece of the puzzle The story is also about a dog and higher dimensional entities a very special piece of land and a remarkable woman It is a love story that began long ago existing in many lifetimes It is James's story and it is Angelica's story and the book could not exist without both of them This book is a doorway a glimpse into a reality which is contrary to third dimensional conditioning an example of the possible It is an invitation for readers to understand their own journeys to put together all the random events of their lives and find the connections Ultimately the book is what you discover it to be and hopefully what it ignites within you **Five Lives on the Earth. Souls' Evolution. Volume 1** Boriele Sim,2015-09-29 If humans really have a highly developed mind and they are guided by a common sense relative to the creatures why history of mankind looks as a mad delirium Do you know why People who are we What awaits us Why you are on this planet now and why so many suffering here Do you believe the All Seeing really exists as well as His blessings and punishments Or your sins will decay with the body under the coffin lid Can you admit that your soul is deathless and previously it animated bodies of humans and creatures not necessarily monkeys What do you think about those who first incarnated in human form and have the same free will and rights as you Isn't that dangerous Do you know for what purpose the Creator has chosen for Himself people and why the eternal Chosen People eternally suffered from enemies If it's not quite known to you and you are interested to clarify who are you why are you here what will happen with you and what determines the future of mankind then this book is definitely for you Following after the thoughts of the main character a young American physicist and listening to his conversations with omniscient old man you will slightly open the amazing projections of the Supreme Truth which were ignored hidden and distorted by the interested power for about 3300 years up to nowadays The Original Source will answer your major life questions Why don't get knowledge from the Source Moreover without risk and for a great success in the eternal life *Ascension and Romantic Relationships* Joshua David Stone,Janna Shelley Parker,2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have
