

The background of the cover is a dark, grainy photograph. It appears to show a person, possibly a soldier, in a field or battlefield setting. The person is wearing a dark uniform and is holding a rifle. The lighting is dramatic, with strong highlights and deep shadows, creating a somber and historical atmosphere. The overall tone is sepia or aged black and white.

The Soul of Abraham Lincoln, by William E. Barton, ... William E. Barton,1920 **The Soul of Abraham Lincoln**

William E. Barton,2015-06-11 Excerpt from *The Soul of Abraham Lincoln* The author is aware that he is dipping his net into a stream already darkened by too much ink The fact that there are so many books on the religion of Abraham Lincoln is a chief reason why there should be one more Books on this subject are largely polemic works which followed the publication of Holland s biography in 1865 and multiplied in the controversies growing out of that and the Lamon and Herndon biographies in 1872 and 1889 respectively Within that period and until the death of Mr Herndon in 1892 and the publication of his revised biography of Lincoln in 1893 there was little opportunity for a work on this subject that was not distinctively controversial The time has come for a more dispassionate view Of the large number of other books dealing with this topic nearly or quite all had their origin in patriotic or religious addresses which meeting with favor when orally delivered were more or less superficially revised and printed in most instances for audiences not greatly larger than those that heard them spoken Many of these are excellent little books though making no pretense of original and thorough investigation Of larger and more comprehensive works there are a few but they do not attempt the difficult and necessary task of critical analysis So much has been said and much of it with such intensity of feeling on the subject of Lincoln s religion that a number of the more important biographies including the great work of Nicolay and Hay say as little on the subject as possible The author of this volume brings no sweeping criticism against those who have preceded him in the same field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Heart of Lincoln Wayne Whipple,1915 *Abraham Lincoln and the times that tried his soul* Emil Ludwig,1956 **Reading With Lincoln** Robert Bray,2010-09-03 Through extensive reading and reflection Abraham Lincoln fashioned a mind as powerfully intellectual and superlatively communicative as that of any other American political leader Reading with Lincoln uncovers the how of Lincoln s inspiring rise to greatness by connecting the content of his reading to the story of his life At the core of Lincoln s success was his self education centered on his love of and appreciation for learning through books From his early studies of grammar school handbooks and children s classics to his interest in Shakespeare s Macbeth and the Bible during his White House years what

Lincoln read helped to define who he was as a person and as a politician This unique study delves into the books pamphlets poetry plays and essays that influenced Lincoln s thoughts and actions Exploring in great depth and detail those readings that inspired the sixteenth president author Robert Bray follows Lincoln s progress closely from the young teen composing letters for illiterate friends and neighbors to the politician who keenly employed what he read to advance his agenda Bray analyzes Lincoln s radical period in New Salem during which he came under the influence of Anglo American and French Enlightenment thinkers such as Thomas Paine C F Volney and Voltaire and he investigates Lincoln s appreciation of nineteenth century lyric poetry which he both read and wrote Bray considers Lincoln s fascination with science mathematics political economics liberal social philosophy theology and the Bible and devotes special attention to Lincoln s enjoyment of American humor While striving to arrive at an understanding of the role each subject played in the development of this remarkable leader Bray also examines the connections and intertextual relations between what Lincoln read and how he wrote and spoke This comprehensive and long awaited book provides fresh insight into the self made man from the wilderness of Illinois Bray offers a new way to approach the mind of the political artist who used his natural talent honed by years of rhetorical study and practice to abolish slavery and end the Civil War
