*Soul Rescuers: A 21st century guide to the spirit world* Terry O'Sullivan, Natalia O'Sullivan, 2013-11-28 Terry and Natalia O'Sullivan are the UK's leading soul rescuers. This book leads the reader into the realms of life after death through stories of encounters with ghosts, spirit beings and ancestors of the spirit world. **Soul Rescue From Sunrise** Pete Dawson, 2025-08-21

Peter Dawson is a renowned Psychic Medium, Channeller and Healer. He has over 30 years experience communicating with the souls of the dead. As a child, spirits would visit him in the middle of the night much to the dismay of his siblings. Terrified, Peter tried to ignore them until in adult life he could ignore them no more. He sought out experienced spiritual teachers for development and guidance, eventually accepting his gifts as he began to understand his true purpose in life. It was then that communication with spirit began to flow effortlessly. He finally understood that spirit only wish to bring healing and peace to their loved ones by helping them understand that life does continue on once their earthly journey is complete. Peter has complete thousands of one to one readings over the years and has demonstrated his gifts at countless events at Spiritualist churches across the UK. He wants everyone to understand that there is so much more to life than what we see with our physical eyes or indeed what we experience with our physical senses. Just an ordinary guy who just happens to communicate with non physical beings, some who may have walked this earth and others who have not. His book is a must read for anyone wanting a glimpse into his fascinating world. *The Fire and the Soul* Pasquale De Marco, 2025-05-11
