profound spiritual messages based on passages of Coptic and Syrian Gnostic manuscripts including the Pistis Sophia and The Hymn of the Pearl Fradon identifies many Hermetic alchemical and Tantric symbols in the Faust Book that accompany the story of Sophia the goddess of wisdom whose troubled journey to salvation is a model for human spiritual development Extensive line by line text comparisons with these Gnostic manuscripts show that Faustus's corruption by the Devil and his despair parallel Sophia's transgression and fall and that his tragic death is a simple reversal of her joyful rebirth so written in order to make an otherwise heretical story palatable to Church authorities at that time Fradon demonstrates that the Faust legend is a vehicle for transmitting antiquity's secret wisdom It provides an account of spiritual initiation whose goal is ecstatic revelation and union with the divine The elements of alchemy sacramental sex and worship of the divine feminine that are encoded in the Faust Book reveal the same hidden goddess worshipping tradition whose practices are hinted at by the writings of Renaissance magi such as Cornelius Agrippa and Giordano Bruno The Secret Fire of Alchemy Kevin B. Selvarajan Yesudian, Elisabeth Haich, 2018-11-08 In this book first published in 1956 the two authors representatives of two different worlds and two entirely different attitudes explore the wide domain of Eastern and Western philosophy They put forward the theory that it is in Yoga that the two worlds meet Kundalini Samael Aun Weor, 2025-01-01 Although the term Kundalini is associated with Indian mysticism tantra and yoga the word refers to a living element in nature and is symbolized in all religions In Judaism and Kabbalah it is called Shekinah In Christianity it is the fire of the Pentecost that illuminated the apostles In Buddhism it is known by many names such as Candali For thousands of years many have wondered at the tales of that mysterious force and the spiritual powers it gives yet the method to awaken it has been hidden misunderstood or sometimes intentionally sabotaged Some say it is dangerous or can be awakened accidentally but the Kundalini is not a blind or mechanical force It is the Divine Mother Herself the power or energy of divinity in motion She cannot be tricked fooled or accidentally awakened The Kundalini can only be developed through purity and love Divine power must be earned Now like a refreshing spring breeze Samael Aun Weor blows the obscurations and mistaken ideas away and reveals the sacred mysteries of our most ancient and holy science With a firm foundation in scripture and practical knowledge the method to awaken and develop the root energy of life is made clear and accessible to all It is no longer necessary to theorize or debate through the practice of the techniques in this book one can know You will find terrific secrets within this book secrets that never in the history of life were published Samael Aun Weor Formerly published in English as Kundalini Yoga this new edition adds a prologue of four powerful lectures that prepare you to understand the main content The Mysteries of the Fire by Samael Aun Weor It also adds more than one hundred footnotes to explain important terms and concepts It is richly illustrated and includes a glossary and an index Soul Psychology Joshua David Stone, 1994 There are tens of thousands of self help books on psychology and human relationships however there are very few that integrate the topics of the soul and spirit into the picture Most books on this subject focus on personality level self actualization The new wave in the field of psychology is transpersonal or soul psychology which will lead to monadic psychology for the more advanced students of the path The entire understanding of psychology is completely changed when the soul is properly integrated It has been said that personality level self actualization brings happiness soul level self actualization brings joy and monadic and spiritual level self actualization bring bliss **Kundalini Yoga** Osho, 1997-12-01 Yoga Journal , 1979-01 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **DELUXE EDITION, STARS ILLUSTRATED MAGAZINE** Maximillien De Lafayette, 2013-10-15 **DELUXE EDITION STARS ILLUSTRATED MAGAZINE** Premiere Issue December 2013 200 Pages AVAILABLE WORLDWIDE In full colors printed on glossy heavy stock paper Published monthly by Times Square Press New York Editor in Chief Maximillien
