**Touching Stories of My Life in Journey to Christian Holiness and Hands-on Patient Care in a Weeping Healthcare** Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life's journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of

my dreams and thoughts that I couldn't otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

*Come Near to God* Ginger Schievelbein, 2009-10 Are you walking in the victory Jesus purchased for you at the cross Do you want a more intimate relationship with God Are you willing to do what it takes to remove any obstacles in your spiritual walk Author Ginger Schievelbein uses the basic steps outlined in James 4 7 8 to guide you through the process of healing and deliverance She uses the gift of discernment of spirits and her ten years of ministry experiences to expand and emphasize the truth of these verses This book is designed for individual or group study and will teach you how to have more of God and less of yourself as you come near to Him Ginger Schievelbein is a first time author who grew up in a typical Christian home At the age of fifteen she encountered God and received the gift of discernment of spirits Since she did not fully understand the gift she kept it a secret for ten years Gradually she began to share some of her spiritual experiences with the adults and children under her ministry Ten years later God asked her to step down from those responsibilities so that He could send more people to her for personal prayer and deliverance This ministry has grown and recently she became an ordained minister She and her husband reside in Texas where she homeschools their two teenagers

*The Science of Salvation* Also Eugene of Avondale, 2018-10-17 Eugene favors the gospel truths of how to gain power in your Christian experience to make it the real thing not some phony that looks right but denies the power thereof He has found something substantial that offers eternal life to the sin sick soul seeking hope life and purpose to the disciple of Jesus Christ He teaches that real Christianity is not a clean and immaculate home car and clothing but a clean heart cleansed of all that would defile the heart springs of life There is too much emphasis on the outer life whereas Jesus Christ taught of a clean heart and mind as the core of religion and faith The falsehearted and unfaithful disciples of Jesus are presented in Scripture as chaff or refuse of the wheat and is of no use whatsoever to the farmer seeking grain to feed his household The true wheat is the soul who has a good and obedient heart to obey God and seek His face Eugene has dug deeply into the core kingdom truth that is essential to the Christian who would make his calling and election sure Jude 3 Christians and more particularly Seventh day Adventists major in minors and minor in majors when they should major in majors foremost before anything else should be incorporated Eugene seeks to explain why Christians should seek for God primarily in the Word of God for God is to be found in the scriptures For they are they which testify of me said Christ Eugene explains why we need to be holy first before we can keep the Ten Commandments holy just as Ellen G White said How do you get holy to keep the Ten Commandments holy in the first place is among the subjects in his book □□3 qi

*The Great Mission of Jesus Christ on Earth* John Entsuh, 2022-11-03 On earth today many Christians and humanity have now reached a stage where they must make a shift into the next level of their consciousness to enable them to communicate with Jesus Christ through prayer meditation and fasting to receive the baptism of the holy spirit to complete their rapture or ascension In his book *The Great Mission of Jesus Christ* John Entsuh explains the most important key points The first key point are the hidden teachings of Jesus Christ which is also known as the spiritual gospel of Jesus Christ where many teachings of Jesus Christ were rejected by the Christian council organized by King Constantine during his reign as the Roman emperor in the second century The second key point is the great mission of Jesus Christ where he came to give humanity the power of the Holy Spirit to awaken their Christ consciousness to conquer sin and death In the third key point John Entsuh explains the second coming of Christ which is about Christ conception and Christ consciousness awakening in the heart of every soul on earth through prayer meditation and fasting to connect directly with Jesus Christ to receive the atonement power as the grace Last of all he

explains that the human consciousness separates us from God because of the spiritual fall of Adam and Eve caused by Satan Christ consciousness reconnects us back to God through Jesus Christ by receiving the atonement power through the baptism of the Holy Spirit and the light of Christ in the heart of our souls This transform us all into Christ like beings with Christ body Christ blood and Christ consciousness to inherit the kingdom of God **Pieces of a Complex Mind** Jazmine
