*Ideal Collection of Practices for Women A Journey to Self* is a collective book a space of strength and support Stories practices and manifestations that help you return to yourself heal feel your worth and start a new chapter A women s circle where you are not alone    Mourning and Panegyric Celeste M. Schenck,2010-11 This work is primarily a genre study aiming both at enlarging the canon of pastoral texts and at theorizing generical development in a comparative context Addressed to a general audience of poetry enthusiasts as well as students of genre theory and specialists in the field the book takes as its examples the twin pastoral genres of funeral elegy and marriage hymns Schenck establishes in her introduction that the strategies she isolates in elegies and epithalamia govern lyric processes more generally that in fact every poem might be an epitaph if it pronounces an elegy upon a former poetic self and announces rebirth of the artist as a poet All poems are genuinely epitaphic in their attempt to record verbally and lastingly the death and implied rebirth of the poet as poet each time he lifts his pen to begin a new poem The specific forms explored in this book elegy and epithalamium serve precisely as model initiatory scenarios Elegies tend to gesture toward the past pronouncing an epitaph upon poetic apprenticeship and recovery voice by means of symbolic burial of a forebear Marriage poems alternatively are future directed celebrating as do elegies passage from virgin to mature state Both forms aim at circumventing mortality by apotheosis and deification in the case of the elegy and by the projection forth of issue at the end of the marriage poem Investigation of the symbolic reciprocity of these seemingly distinct forms yields a surprising range of variant forms extends provocatively Claudio Guillen s theory of genre and counter genre and initiates a poetics of pastoral ceremony that has implications for the general study of lyric modes    **The Cumulative Book Index** ,1996 A world list of books in the English language    **The Single Mother's Journey To Wholeness** Nicole Elizabeth Biggs,2005-02-01 Nicole Biggs s book *The Single Mother s Journey to Wholeness* brings compassion insight and knowledge to the many trials and potential triumphs on the single mother s journey    **The Musings of a Soul Set Free** Tamara Grob,2024-04-03 For too long I lived my life inauthentically doing everything to fit in to be accepted and loved by others I had imprisoned my soul inside my own cage When I embarked on my awakening journey I learned to love all of me my shadow and my light despite what others thought I began to remember that I am the creator of my reality I could no longer remain in certain relationships places or situations and went through a massive clearing of all that no longer served my soul It felt painful and at time I felt rejection but truly I was being redirected and creating space for the new The Universe was guiding and realigning me to my soul path to my truth

and to my power I found my voice and the words to express my truth These are my musings from a soul finally set free not perfect and by no means done with my journey but free In reading my book my intention is for you to find your truth your power and your voice to set your soul free      **Soul Radiance Bring Your Soul Riches to Life** Susann Taylor
