identifies Leviathan as a twisting fleeing serpent This spirit operates in relationships at all levels and twists people s words shooting darts between people and causing division Not only does it ruin relationships but healing minister Katie Souza believes it ruins our health and our daily lives The Serpent and the Soul shows you the many ways we allow the Leviathan serpent spirit into our lives and the impact it has on us Python is another serpent spirit and it constricts our finances and causes lack and misalignment in our lives and our physical bodies So many misunderstand or overlook the connection between idolatry witchcraft and these serpent spirits and the impact they have our bodies Souza has seen this time and time again throughout her years of ministry But there is good news You can break the serpents deadly grip through genuine repentance of pride unforgiveness and other doors these spirits use to gain access to your life Your relationships can thrive again and you can prosper and live in health and peace This book will impart biblical understanding of Python Leviathan and other serpent spirits and provide you with powerful prayers and spiritual tools for breaking free from their control God s healing restoration and prosperity are available to you when you break the connection of the serpent and the soul
