This Is Our Song Janet Wootton, 2013-01-07 Women have made an amazing creative and prolific contribution to hymnody through the centuries of Christian worship Excluded from liturgical commissions and denied other opportunities for involvement in the worship of the churches women were able to express and influence spirituality in the writing of hymns This influence spreads across the whole range of hymn writing including writing for children which was at one time seen as women's natural place but also the introduction of new voices through translations engagement in social campaigns such as temperance and the abolition of slavery mission and evangelism and the general development of worshipping life However with the exception of the nineteenth century the voices of women have been largely silenced or marginalized The Hymn Explosion of the 1960s onward almost completely ignored women's writing and there has only recently been something of a recovery There is much more to *Our Song* than people think This book opens up women's writing from the beginnings of Christianity through the Middle Ages the development of printing and the rise of popular hymnody to the present day Living hymn writers add their voices in a series of biographical stories which complete the overarching story of *Our Song*

Growing Up Evangelical Peter Ward, 2013-04-29 This groundbreaking and provocative book charts the recent history and impact of Christian youth work It argues that the extraordinary growth of the evangelical movement in the UK can be attributed to its work among young people and demonstrates how the youth work of one generation shapes the adult church of a later one Peter Ward opens up vital areas of debate has youth work become primarily defensive rather than evangelical Are we afraid to engage creatively with modern culture What hope is there for the church of the future

Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals *Bold Faith* aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity **Age of the Spirit** John Maiden,2023 How did charismatic renewal transform the churches in the

twentieth century moving from the periphery to the mainstream In *Age of the Spirit* John Maiden looks at the rise of charismatic Christianity before during and after the long 1960s across the English speaking world **British Evangelical Identities Past and Present, Volume 1** Mark Smith,2009-04-01 The nature of evangelical identity in Britain is both a perennial issue and an urgent one This is especially the case because evangelical Christianity has throughout its history been characterized by a remarkable degree of dynamism and diversity These essays by a distinguished list of contributors explore the issue of evangelical identity and the nature of evangelical diversity by investigating the interactions of evangelicalism with national and denominational identities race and gender and its expression in spirituality and culture from the evangelical revivals of the eighteenth century to evangelical churches and movements of the present A second volume will investigate similar issues in relation to evangelical interactions with the Bible and theology Contributors Rob Ambler Andrew Atherstone Kristin Aune David W Bebbington David Goodhew John Harvey Andrew R Holmes David Ceri Jones Ian Jones Rachel Jordan David Killingray Ian Randall Mark Smith Brian Talbot Peter Webster Martin Wellings and Eryn White

The Story of Christian Music Andrew Wilson-Dickson, 2003 Music has been at the heart of Christian worship since the beginning and this lavishly illustrated and wonderfully written volume fully surveys the many centuries of creative Christian musical experimentation. From its roots in Jewish and Hellenistic music through the rich tapestry of medieval chant to the full flowering of Christian music in the centuries after the Reformation and the many musical expressions of a now global Christianity Wilson Dickson conveys a glimpse of the fecundity of imagination with which humanity has responded to the creator God. Book jacket Pentecostal Theology and Ecumenical Theology, 2019-09-16 Pentecostal Theology and Ecumenical Theology Interpretations Intersections and Inspirations brings together globally recognized and newer scholars to address the complex relationship between Pentecostalism and the Ecumenical Movement. Historical essays address topics such as early Pentecostal responses to and participation in ecumenism explicit convergences between Pentecostal and ecumenical initiatives and the particular contributions of Pentecostals and ecumenists outside North America and Europe. Constructive theological essays address intersections between ecumenical theology and systematic loci in Pentecostal perspective in the hope that mutual exchange and criticism will lead to ways to improve both. Never before have this many scholars of Pentecostalism combined their efforts in order to focus on the relationship between Pentecostal theology and ecumenical theology past present and future *The Faith We Sing* Sylvester Paul Schilling, 1983 *A Study of Hymn-writing and Hymn-singing in the Christian Church* Randle Manwaring, 1990 Tracing the continuing story of hymn writing and hymn singing in the Christian church this text follows the historical thread through successive generations of Christians. It sets out to trace the development of English hymnody and the continuing link between the muse of poetry and the inspiration required in hymnody *Christianity in South Africa* Richard Elphick, Rodney Davenport, T. R. H. Davenport, 1997-01-01 At a strategic time in South Africa's history the Christian history which is absolutely basic to all developments is presented in a comprehensive and objective way. Too little attention is given to the influence of religion in socio-political accounts. This is a creative and much needed contribution to scholarship and general knowledge. An outstanding work. Dean S. Gilliland Fuller Theological Seminary.
