The Sound of Architecture Angeliki Sioli, Elisavet Kiourtsoglou, 2022-05-18 How sound and its atmospheres transform architecture Acoustic atmospheres can be fleeting elusive or short lived Sometimes they are constant but more often they change from one moment to the next forming distinct impressions each time we visit certain places Stable or dynamic acoustic atmospheres have a powerful effect on our spatial experience sometimes even more so than architecture itself This book explores the acoustic atmospheres of diverse architectural environments in terms of scale program location or historic period providing an overview of how acoustic atmospheres are created perceived experienced and visualized The contributors explore how sound and its atmospheres transform architecture and space Their essays demonstrate that sound is a tangible element in the design and staging of atmospheres and that it should become a central part of the spatial explorations of architects designers and urban planners The Sound of Architecture will be of interest to architectural historians theorists students and practicing architects who will discover how acoustic atmospheres can be created without complex and specialized engineering It will also be of value to scholars working in the field of history of emotions as it offers evocative descriptions of acoustic atmospheres from diverse cultures and time periods

Writing in a Technological World Claire Lutkewitte, 2019-11-14 Writing in a Technological World explores how to think rhetorically act multimodally and be

sensitive to diverse audiences while writing in technological contexts such as social media websites podcasts and mobile technologies Claire Lutkewitte includes a wealth of assignments activities and discussion questions to apply theory to practice in the development of writing skills Featuring real world examples from professionals who write using a wide range of technologies each chapter provides practical suggestions for writing for a variety of purposes and a variety of audiences By looking at technologies of the past to discover how meanings have evolved over time and applying the present technology to current working contexts readers will be prepared to meet the writing and technological challenges of the future This is the ideal text for undergraduate and graduate courses in composition writing with technologies and professional business writing A supplementary guide for instructors is available at www.routledge.com 9781138580985 The Sound of Poetry / The Poetry of Sound Marjorie Perloff, Craig Dworkin, 2009-10-15 Sound one of the central elements of poetry finds itself all but ignored in the current discourse on lyric forms The essays collected here by Marjorie Perloff and Craig Dworkin break that critical silence to readdress some of the fundamental connections between poetry and sound connections that go far beyond traditional metrical studies Ranging from medieval Latin lyrics to a cyborg opera sixteenth century France to twentieth century Brazil romantic ballads to the contemporary avant garde the contributors to *The Sound of Poetry* The Poetry of Sound explore such subjects as the translatability of lyric sound the historical and cultural roles of rhyme the role of sound repetition in novelistic prose the connections between sound poetry and music between the visual and the auditory the role of the body in performance and the impact of recording technologies on the lyric voice Along the way the essays take on the ensemble discords of Maurice Scève's *Le Livre de la Vie* Ezra Pound's use of Chinese whispers the alchemical theology of Hugo Ball's Dada performances Jean Cocteau's modernist radiophonics and an intercultural account of the poetry reading as a kind of dubbing A genuinely comparatist study *The Sound of Poetry* The Poetry of Sound is designed to challenge current preconceptions about what Susan Howe has called articulations of sound forms in time as they have transformed the expanded poetic field of the twenty first century Writing Travel Poetry Hs Tshack, 2004 *Developing Writers: Teaching And Learning In The Digital Age* Andrews, Richard, Smith, Anna, 2011-07-01 Education **Silence** John Cage, 2012-06-26 John Cage is the outstanding composer of avant garde music today The Saturday Review said of him Cage possesses one of the rarest qualities of the true creator that of an original mind and whether that originality pleases irritates amuses or outrages is irrelevant He refuses to sermonize or pontificate What John Cage offers is more refreshing more spirited much more fun a kind of carefree skinny dipping in the infinite It's what's happening now The American Record Guide There is no such thing as an empty space or an empty time There is always something to see something to hear In fact try as we may to make a silence we cannot Sounds occur whether intended or not the psychological turning in direction of those not intended seems at first to be a giving up of everything that belongs to humanity But one must see that humanity and nature not separate are in this world together that nothing was lost when everything was given away *Reading and*

Organic Screenwriting Mark David Gerson, 2019-04-20 Finally A Book for Screenwriters that Focuses on Creativity not Rules Organic Screenwriting gives us permission to do what we set out to do in the first place Tell stories from our hearts Luke Yankee writer producer of TV s Conversations on Craft Writing for film doesn t have to feel like an engineered exercise in story building Rather it can be a story freeing adventure one that retains all the magic wonder and awe of movies and make believe Learn to craft engaging compelling entertaining stories for the screen spontaneously and without struggle whether you re a seasoned screenwriter or just starting out Be the Storyteller You Are Go Organic Write Your Screenplay the Natural Way What I share here speaks to the core of what I believe not only about screenwriting but about writing and that s that creativity is an organic process that relies more on discernment than rules more on intuition than outlines more on passion than structure It s a free flowing in the moment experience that urges us to turn our backs on cookie cutter formulas and paint by numbers canvasses It s a realm where Story is king and Muse is both chancellor and court jester It s a journey where we sit wide eyed in a darkened theater and watch awestruck as our screenplay reveals itself to us on the flickering screen Mark David Gerson A seminal work that should be read carefully by any and all aspiring writers for film and television an enduringly useful reference work The Midwest Book Review

On the Write Track James Clements, 2022-10-13 On the Write Track puts teachers autonomy and their knowledge of what is right for their pupils at the heart of teaching writing It explores a set of research based principles before illustrating these with case studies and examples of classroom practice Writing is about communication Learning to write gives children a voice that others will listen to a voice they can use to

share their ideas articulate their feelings amuse and delight their readers and argue for what they believe in While every child every teacher and every classroom are different approaches to teaching writing can sometimes feel prescriptive whether they are based on a particular curriculum model commercial scheme assessment system or underlying philosophy This book provides freedom and choice by introducing a series of tracks for writing teaching including practical approaches to Building a community of writers in the classroom Employing a process led sequence for teaching writing Encouraging children to write for pleasure and share their own interests Exploring the use of rich and diverse texts as fuel for writing Drawing on spoken language and oracy to develop written communication Teaching grammar and punctuation to support writing Utilising feedback to help children develop their writing voice Using drama and play as starting points for writing Through considering these different tracks and thinking about how to weave them together into a coherent whole teachers can help every child to make the journey to being a confident skilled keen writer *Writing Humor* Mary Ann Rishel, 2002 Learn how to expand the humor in your imagination into the most fulfilling and fun filled genres in creative writing from comedy to a satirical essay to a joke monologue with the help of *Writing Humor* the first textbook of its kind for college students **The School Recorder Book 2** EJA Publications, 1995-12-31 Priestley Fowler Book 1 covers the first 15 notes on the descant recorder introducing each note with illustrations Book 2 completes the study of the descant recorder then proceeds to teach the treble recorder Easy piano accompaniments **Listen Up!** Anne Thurmann-Jajes, Regine Beyer, 2025-05-23 Listen Up is the first publication worldwide to take an in depth look at the development of Radio Art in the United States as a distinct sound art practice Analytical essays by leading media art historians and practitioners discuss the ways in which a new field took shape in the context of changing broadcast environments and sociopolitical realities from the 1960s through the 1990s The essays provide engaging reading for scholars radio producers and artists as well as radio enthusiasts and lay audiences Also included are manifestos and other texts written by Terry Allen Jacki Apple John Cage Don Joyce Negativland Max Neuhaus Pauline Oliveros Helen Thorington and others The material vividly reflects the zeitgeist of the period and proposes trajectories for new research into fascinating yet still largely unexplored territories *City Symphonies* Daniel P. Schwartz, 2024-04-23 Cinema scholars categorize city symphony films of the 1920s and early 1930s as a subgenre of the silent film Defined in visual terms the city symphony organizes the visible elements of urban experience according to musical principles such as rhythm and counterpoint In *City Symphonies* Daniel Schwartz explores the unheard sonic dimensions of these ostensibly silent films The book turns its ear to the city symphony as an audible phenomenon one that encompasses a multitude of works beyond the cinema such as musical compositions mass spectacles radio experiments and even paintings What these works have in common is their treatment of the city as a medium for sound The city is neither background nor content rather it is the material through which avant garde works express themselves In resonating through the city these multimedia pieces perform experiments that undermine the borders between sight and sound Applying an

interdisciplinary approach City Symphonies expands our understanding of the genre breaking out of the confines of the cinema and onto the street
