The Lord Appeared James Agnew,2025-09-30 The Old Testament is filled with appearances of YHWH Although these appearances are often interpreted as visions dreams or angelic messengers many in pre Christian Judaism attributed them to

YHWH's Word a unique divine person who mediated between YHWH and creation. This Word was not considered a separate creature outside of God but rather as an aspect or part of God. By following a trail of data across Israel's scriptures and its earliest commentators, The Lord Appeared argues that Christians originally viewed Jesus as this Word of ancient Judaism. Drawing on a wide range of scholarly sources, James Agnew presents a rigorous case for the deity of Christ and outlines an intuitive model for understanding Jesus's relationship to YHWH.

Adam: First and the Last Simon Turpin, 2023-07-28. Are you prepared to defend the biblical account of Adam as a living man formed by God? Many theologians, pastors, and philosophers now teach that the Adam we find in Genesis was a myth, story, or parable. In *Adam First and the Last*, Simon Turpin, Ex-Director of Answers in Genesis UK Europe, reveals why understanding Adam to have been the first man created is critical for a consistent theological understanding of the biblical message of creation, the fall, and redemption. If you deny the First Adam, not only do you deny the sufficiency of Scripture and undermine its authority, but you ultimately attack the life, teaching, and person of the Last Adam, our Lord Jesus Christ. Ken Ham, CEO of The Ark Encounter Creation Museum, *Answers in Genesis*. The very teachings of Jesus regarding creation and the flood are being attacked on the basis that, because of His human nature, there was error in some of His teaching. The theory of biological evolution, though lacking evidence, is why many reject Adam as a historical individual or see him as anything other than the originating head of the human race. The church is facing a crisis because too few of her people and leaders understand the consequences of combining the Bible and evolution. Sadly, today more and more evangelical Christian scholars are having to redefine passages of Scripture because they have adopted the idea of evolution and millions of years into their thinking. These questions may be the biggest doctrinal issues facing our generation, and the church's attitude toward them could be a defining moment in Christianity. *Adam First and the Last* will prepare you, your family, and your church to stand against today's false teachers and strengthen your faith in the infallible Word of God. Turpin offers a true biblical apologetic that will be used for decades and even centuries to help the Body of Christ hold fast to their confession of faith without wavering. Hebrews 10:23.

The Works of John Bunyan: Experimental, doctrinal, and practical John Bunyan, 1861. **God so Loved...** Steve Ink, 2015-05-05. John 3:16 is perhaps the most popular verse in the entire Bible. It provides us with a concise description of God's motivation and action that leads to the hope of the eternal abundant life promised through Christ. It is the Gospel proclaimed in one brief sentence. In *God So Loved*, this powerful verse is broken down so that each concept of the whole can be examined, explored, and personalized. Author Steve Ink examines who God is, what God has done, and how we should live our lives in response. This book is written for those seeking to learn about and gain a better understanding of the good news of Jesus Christ. The main text of the book provides an overview of the Christian message as seen through Ink's personal experiences. The notes provide supportive information for those who want to learn more.

Father in Paul Abera M. Mengestu, 2013-08-28 God as Father in Paul explores Paul's use of the kinship term Father to refer to God along with related familial terms children of God and Christ followers as brothers and sisters as part of a study of the use of kinship language in the identity formation of early Christianity. Mengestu argues that these kinship terms are shared modes of identity constructions within the wider textual and cultural settings: the Roman Empire, the Roman Stoic philosophers, the Hebrew Bible, and ancient Jewish literature from which Paul draws on as well as contests. Employing theoretical kinship and social identity theory as well as interpretative approaches, imperial, critical, and narrative approaches to Paul, he contends that Paul uses God as Father consistently, strategically, and purposefully in both stable and crisis situations to develop a narrative orienting framework that images the community of Christ followers as a family that belongs to God, who together with the Lord Jesus Christ bestows on them equal but diverse membership in the family. The narrative so constructed forms the foundation for referring to Christ followers as children of God and brothers and sisters of one another. It constructs boundaries and serves as a nexus of transformation and negotiation.
