The Fearful Child:

Helping the Fearful Child Jonathan Kellerman, 1982-09-01 A guide to help children cope with such everyday anxieties as going to the doctor or dentist also helps parents to explain more serious matters such as a death in the family *The Fearful Dental Patient* Arthur A. Weiner, 2011-09-15 The Fearful Dental Patient A Guide to Understanding and Managing helps dental professionals understand the basics of fear anxiety and phobias and the role these emotions play in creating negative behavior within the dental environment The text contains a variety of modalities that help identify dental fear and phobia as well as chair side techniques and practical advice aimed at improving patient cooperation and ensuring treatment compliance Chapter topics include the basic origins of patient fear and anxiety how to identify dental anxiety and varied approaches to managing fearful patients of any age Approaches discussed employ behavioral pharmacological sedation and even hypnotic techniques specifying combinations where required Chapters also include coverage of a wide range of patients including those with psychiatric comorbidities and special healthcare needs The entire dental team will greatly benefit from the proven methods and practical guidance presented to better understand and treat fearful dental patients **The Fears of Childhood** Edward P. Sarafino, 1986 Identifies fifteen common childhood fears offers parents advice on preventing or alleviating them and explains how fears can grow stronger *The Fears You Fear* Rachel Rooney, 2023-09-05 A rhyming picture book that explores what happens when children encounter a fear We re all afraid sometimes Some are fears you see and some are ones you don t But it s a feeling we all feel Fear comes in all shapes and sizes and can meet you anywhere from the circus ring to the swimming pool to the first day of school The thing you fear may be something others love like a dog or a bicycle But you don t have to let a fear give you the shivers or goosebumps Fear not there are so many ways to send those fears away The Fears You Fear includes fears of animals the circus the pool saying goodbye attending parties the dentist or doctor s office thunderstorms trying new things and stage fright **Short-Term Play Therapy for Children** Heidi Gerard Kaduson, Charles E. Schaefer, 2015-04-07 Illustrated with rich case examples this widely used practitioner resource and text presents a range of play approaches that facilitate healing in a shorter time frame Leading play therapists from diverse theoretical orientations show how to tailor brief interventions to each child s needs Individual family and group treatment models are described and clinical guidelines are provided Chapters demonstrate ways to rapidly build alliances with children adolescents and their caregivers plan treatment for frequently encountered clinical problems and get the most out of play materials and techniques New to This Edition Incorporates the latest research and clinical developments Chapters on additional approaches Theraplay combined art and play therapy Gestalt play therapy animal assisted play therapy child parent relationship therapy Floortime and more Chapters on additional clinical problems grief sexual behavior problems and autism spectrum disorder *Psychotherapy for Children and Adolescents* John R. Weisz, 2004-02-23 In this book a clinical scientist highlights youth psychotherapies that have been tested and shown to work Treatments for fears and anxiety

depression attention deficits and ADHD and conduct problems and disorder are described in detail their conceptual basis explained their clinical application illustrated by richly developed case examples and their prospects for use in clinical practice examined closely This clinical perspective is complemented by summaries and critiques of the empirical evidence on each treatment and by commentaries on what questions remain unanswered The author s clinical and scientific experience converge to produce a uniquely valuable experience on exemplary treatments for children and adolescents

101 Favorite Play Therapy Techniques Heidi Kaduson, Charles Schaefer, 2010-07-09 This book is an amazing resource for play therapy techniques The contributors come from a diverse group including child centered cognitive behavioral gestalt Jungian psychodynamic and prescriptive play therapy

Normal and Abnormal Fear and Anxiety in Children and Adolescents Peter Muris, 2010-07-07 Written at a post graduate level this new volume provides a cumulative overview of the research available on the pathogenesis of fear and anxiety in youths Its aim is to give the reader an idea of the factors that are thought to be involved in the development of abnormal fear and anxiety in children and adolescents and to integrate this knowledge in a comprehensive model Normal and Abnormal Fear and Anxiety in Children and Adolescents also gives an update of the current scientific status on the psychological and pharmacological treatment and assessment of anxiety disorders in youths Reviews research literature on the cause of childhood anxiety not only the existence and treatment Discusses empirically supported intervention strategies Includes questionnaires for measuring anxiety and related concepts that can be employed for research purposes Anxiety disorders in children and adolescents is the author s primary area of research
