Larry A. Burchfield

The Fearful Fifties:

Fear of Fifty Erica Jong, 2006-09-07 *Seducing the Demon* has introduced Erica Jong to readers who hadn't been born when *Fear of Flying* was published in 1973. Now one of her finest works of nonfiction and a New York Times bestseller is back in print with a new afterword. In *Fear of Fifty*, a New York Times bestseller when first published in 1994, Erica Jong looks to the second half of her life and goes right to the jugular of the women who lived wildly and vicariously through *Fear of Flying*. Publishers Weekly delivering highly entertaining stories and provocative insights on sex, marriage, aging, feminism, and motherhood. What Jong calls a midlife memoir is a slice of autobiography that ranks in honesty, self-perception, and wisdom with works by Simone de Beauvoir and Mary McCarthy. *The Sunday Times U.K.* Although Jong's memoir of a Jewish American princess is wittier than either *The Pilgrim's Progress ... The Fifty Fourth Edition. Pt. 1-3* John Bunyan, 1773

Cartooning Texas Maury B. Forman, 1993 *Cartooning Texas* presents a century of this state's history through a craft that is one of the nation's liveliest art forms. Few states have enjoyed as rich a history of political cartooning as the great state of Texas. William Sydney Porter and his depiction of railroad graft, turn of the century Tobe Bateman and his trademark goat, Pulitzer Prize winner Ben Sargent: these cartoonists have helped readers understand what this country's changes would mean to them. Even the first cartoon known to have lampooned native son Lyndon Johnson appears in these pages. Their sometimes humorous, always pointed lines have appeared in the *Austin American Statesman*, the *Rolling Stone*, the *Houston Post*, the *Dallas Morning News*, and other state papers. With deft movements of pen across page, they have portrayed the events and personalities that have shaped public life. Lone Star cartoonists have provided a record that will amuse and educate new generations of Texans as well as those who remember the originals. Maury B. Forman and Robert A. Calvert provide context and explanations for each cartoon and overviews of each decade's main developments in the art. **If this**

Isn't Love! Sidney Morris, 1995 **Radiation Safety** Larry A. Burchfield, 2009-06-15 Pertaining to homeland security, this title is a comprehensive guide to radiation protection caused by accidents or terrorism. Provides essential strategies and guidance for protecting ports and examines the latest nuclear detection devices that can be deployed. Explains the procedures in FEMA's National Incident Management System. Gives specific details for first responders and emergency workers on how to prepare for and handle radiological incidents. **Fifty Ways of Letting Go** Robert Kando

Cornell, 2017-02-21 Robert Cornell has written a wise and practical book for our times. A book that beautifully integrates psychological health and well-being with a genuine spiritual path. Roshi Robert Joshin, Althouse Zen Life Meditation Center, Chicago. This is a book that bears witness to a life-long journey of intense self-understanding and is an exquisite exploration of the oft-heard spiritual injunction to let go. I say intense and exquisite because you will be stunned by the subtle layers of the human psyche that Robert has beautifully unpacked and articulated in a way that will give every authentic pilgrim of the human experience some new territory to ponder and explore. John Dephouse, Associate Priest, All Saints Episcopal Church.

Pasadena CA *California Three Hundred and Fifty Years Ago* Cornelius Cole, 1888 Novel about a Portuguese sailor who was cast ashore in San Francisco Bay in the 16th century It described his life among the Indians and their way of life In the end Manueto was picked by a Spanish ship and taken to Acapulco where he narrated his history He then wanted to return to his love Alola an Indian woman In the middle of the novel is a long verse section in which Manueto envisions what mid 19th century San Francisco would look like **Fifty Great Short Stories** Milton Crane, 1983-08-01 50 Great Short Stories is a comprehensive selection from the world's finest short fiction The authors represented range from Hawthorne Maupassant and Poe through Henry James Conrad Aldous Huxley and James Joyce to Hemingway Katherine Anne Porter Faulkner E B White Saroyan and O'Connor The variety in style and subject is enormous but all these stories have one point in common the enduring quality of the writing which places them among the masterpieces of the world's fiction **The Christian's Sunday Evening. [Fifty-two Sermons.]** George Ayliffe Poole, 1835 *Fifty Years of Anthropology and Education* 1950-2000 George and Loui Spindler, 2000-06 Brings together seminal articles by the Spindlers widely regarded as the founders of educational anthropology and binds them together with a master commentary by George Spindler Presents a unified view of the Spindlers work development of the field
