The Federal Railway Land Subsidy Policy of Canada James Blaine Hedges,1934 The Federal Railway Land Subsidy Policy of Canada James B. Hedges,2013-10-01 Most historians have given only incidental attention to the railway land subsidy policy of the Dominion of Canada In breaking comparatively new ground Mr Hedges has therefore depended to a large extent upon manuscript sources in the archives of the Department of the Interior at Ottawa He traces the various steps leading to the adoption of the Canadian policy and discusses in detail its development in connection with the administration of the subsidy to the Canadian Pacific In his final chapter he sets forth the broad outlines of the methods the railways pursued in the administration and disposition of their lands Dominion Lands Policy Chester Bailey Martin, **Dominion Lands Policy** Chester Martin,1973-01-15 First published in 1938 this work is important for an understanding of the settlement of the three prairie provinces and of the implementation of the National Policy initiated by Sir John A Macdonald

The National Policy and the Wheat Economy Vernon Fowke,1957-12-15 First published in 1957 this study traces the development of the national policy as it affected the growth of the Canadian trade and discusses the grain marketing problems of Western Canada in the decades that followed with detailed attention to legislation and moves by various growers groups in an attempt to meet these problems This important study in political economy is organized into four main parts In Part One the author traces the development of the national policy and its impact on the growth of the wheat empire in the years before 1900 In Part Two he discusses the grain marketing problems of western Canada during the 1900 1920 period Part Three is a masterful exposé of the history of the open market system and of the history and policies of the Canadian Wheat Pools and Part Four examines the economic philosophy behind the development of the national policy *Bibliography on Land Utilization, 1918-36* ,1938 This bibliography has been compiled as a companion volume to the Bibliography on Land Settlement issued in 1934 by the United States Department of Agriculture as Miscellaneous Publication 172 It contains selected references to the literature on the economic aspects of land utilization and land policy in the United States and in foreign countries published for the most part during the period 1918 36 Miscellaneous Publication ,1938 **Canadian Agricultural Policy** Vernon Fowke,1946-12-15 First published in 1946 this historical analysis of Canadian agricultural policy from 1600 to 1930 tests the assumption that agriculture has been Canada's basic industry central in the economic and political life of the nation Professor Fowke demonstrates that agricultural interests have always been secondary in shaping agricultural policy Government attitudes have been influenced less by economic and political agrarian pressures than by such considerations as defence of empire provisioning of the staple trades and later the investment opportunities offered to industry commerce and finance by an expanding agricultural frontier **The Frontier World of Edgar Dewdney** Brian Titley,2011-11-01 The Frontier World of Edgar Dewdney is a biographical study of a man who played a key role in the cataclysmic events which marked the political social and economic transformation of western Canada in the latter half of the

nineteenth century An immigrant adventurer seeking his fortune in the colonies Dewdney was embroiled in the gold rushes of the 1860s the B C debates on Confederation the Riel Rebellion of 1885 political evolution in the North West Territories and the Klondike gold rush For several years Dewdney held important public offices such as Indian commissioner of the North West Territories and Minister of the Interior positions which allowed him to shape the course of events In many ways Dewdney s career is a metaphor for the maturing western frontier In following his exploits we follow the story of a region experiencing breathtaking change Brian Titley s purpose in this book is not to praise but to offer a critical appraisal of Dewdney as a type a representative of that class of adventurer who saw in the new land an unprecedented opportunity for self aggrandisement Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba
