The Top Ten Problems Plaguing Mankind! Eddie Duncan,2024-09-29 It is impossible for a man to learn what he thinks he already knows Most Americans believe that the U S government is protecting privacy rights and private property The sad truth is through the Act of 1871 the ten square miles known as the business District of Columbia the corporation aka THE UNITED STATES was created and is still defrauding sovereign Citizens under its pseudo authority Further on June 5th 1933 a third term Roosevelt administration and an obedient Congress fundamentally changed our government by Resolution Through HJR 192 The New Deal our Public Servants abandoned their duty to the supreme office holder the sovereign Citizen And instead initiated their Public Policy That Roosevelt administration took advantage of its pseudo authority and effectively duped the masses by resolution then enacted the treasonous provisions of the New Deal And all provisions of that New Deal resolution are in force and effect as evidenced by your Socialist number attached to YOUR NAME aka your corporate identity Yet few Americans are actually aware of that grand deception We the People were dealt a foreign judicial system which overturned the original chain of command and now unlawfully prosecutes all Public Policy violations Liberty precious God given liberty cannot be infringed upon simply because our representatives have chosen to allow their agents to violate

privacy rights and misapply commercial codes above the inherent rights of the sovereign People In this country one is considered to be a criminal if one is cited not wearing a seat belt And if you fail to pay the agency claiming criminal behavior they will arrest you Even though there is no victim no verified complaint no indictment no felonious act and no exigent circumstances existed to condone your abduction Are you proud of the fact that this government can and will take your neighbors home or your home for taxes that neither lawfully owe Are you proud that our young men and women are dying and killing in a foreign land for no valid reason Are you proud of YOUR CORPORATE IDENTITY and all liabilities contingencies and conditions associated with YOUR matriculated socialist indebted status Are you proud of the fact that two men Clarence Thomas and Anthony Scalia chose to ignore the national vote total and chose instead a Republican Candidate over and against the will and mandate of the People in the 2000 selection Eternally A Brother in Christ Quey Quay Eddie Duncan
