and excerpts from archival documents Significant events in the struggle include the establishment of Pride parades the Bathhouse Raids the decriminalization of homosexuality the passing of the Canadian Charter of Rights and Freedoms the LGBT Purge and the legalization of same sex marriage While the government's formal acknowledgement of past injustices started Canada on a better path toward equality there is still work to be done This book would be a welcome addition to any classroom or library's social justice collection and will appeal to adults interested in LGBTQ2 rights in Canada This title is also available in immersion French *La purge LGBT et la lutte pour l'égalité des droits au Canada* ISBN 9781459419889
