The First Epistle of St. Peter, 1947 The First Epistle of St. Peter Petrus (Apostolus.), Edward G. Selwyn, 1974 **The First Epistle of St. Peter** Petrus (Apostolus.), Edward G. Selwyn, 1974 1 Peter Joel B. Green, 2007-10-26 Even though the letter of 1 Peter has sometimes been overshadowed by Paul's many New Testament letters it is nonetheless distinctive for the clarity with which it presents the Christian message In this volume Joel Green offers a clear paragraph by paragraph analysis of 1 Peter and even more unpacks the letter's theology in ways that go beyond the typical modern commentary Following Green's paragraph by paragraph commentary is an extended discussion of the theological horizons of 1 Peter Throughout his study Green brings the message of 1 Peter into conversation with Christian theologians ancient and contemporary so that the challenge of this letter for Christian faithfulness can be heard more clearly today **Catalogue of the General**

minister or church worker committed to taking the Bible seriously Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary Beyond Canon Meron Gebreananaye, Francis Watson, Logan Williams, 2020-12-24 This book highlights the significance of a group of five texts excluded from the standard Christian Bible and preserved only in Ge'ez the classical language of Ethiopia These texts are crucial for modern scholars due to their significance for a wide range of early readers as extant fragments of other early translations confirm in most cases Yet they are also noted for their eventual marginalization and abandonment as a more restrictive understanding of the biblical canon prevailed everywhere except in Ethiopia with its distinctive Christian tradition in which the concept of a closed canon is alien In focusing upon 1 Enoch Jubilees the Ascension of Isaiah the Epistula Apostolorum and the Apocalypse of Peter the contributors to this volume group them together as representatives of a time in early Christian history when sacred texts were not limited by a sharply defined canonical boundary In doing so this book also highlights the unique and under appreciated contribution of the Ethiopic Christian Tradition to the study of early Christianity **Jesus Through Many Eyes** Stephen Neill, 2023-01-01 Is it possible to find in the New Testament a single coherent theology In *Jesus Through Many Eyes* Stephen Neill makes the case convincingly for a unified faith underlying the many traditions and interpretations of Jesus within scripture which can be summed up in the words Resurrection Spirit Reconciliation First published in 1976 his exposition remains relevant to general readers and specialist scholars alike Neill provides detailed explanations of more obscure concepts and references along with comprehensive notes and bibliographies to each chapter making this an ideal introductory textbook Meanwhile those familiar with his arguments will benefit from new insights and interpretations
