The Firstborn:

The Firstborn Conlan Brown, 2009 The Firstborn those gifted with foresight hindsight and insight at the time of Christ's death find themselves targeted Three heroes differently gifted and divided must work together to thwart those who would go too far *The Firstborn of God* Gail Allison Evans, 2000-05-20 The Firstborn of God is an in depth yet concise look at the contradictions in the Bible This book may well have the answers that you have been looking for Throughout history our religious beliefs have been instrumental in shaping our social and political strictures Whether we are devout or not the fundamental philosophies of any give religion will dictate the way in which we interact with each other on a mental social and political level Most of the Western world is no exception and has based its theology on a text known as The Bible But what is The Bible Is it a collection of scrolls written by a group of old men Or is it the word of God as so many claim it to be If the Bible really is the word of God then it should follow that the chapters and verses will be clear cut easily understood and lack ambiguity But this is not the case The Bible is ambiguous and many of its texts contradict each other which in turn implies that the scribes who wrote them had differing views on the divine word of God as well as differing social and political philosophies **The Firstborn of God** Eugene LaVerdiere, 2007 *Deliverance of the Firstborn and First Sons* Rev. James Solomon, 2024-07-24 In the Bible we find out that Adam was the firstborn of God in a manner of speaking However Adam was driven out of God's presence care provision and protection and unfortunately so are most firstborns especially first sons Cain Adam's firstborn was also driven out and became a wanderer Canaan the firstborn of Ham Noah's son was cursed and so was Reuben the firstborn of Jacob And the list goes on and on Moving on to our present day and age we see a pattern of total disappointment among the firstborns or first sons in the family They tend to be worthless unstable wayward incapable of holding down a job or trade and end up being failures in life They can't concentrate on anything that will lead to a bright future and are often wandering or roaming from place to place The first son is usually the physical and spiritual inheritor of his father's legacy whether good or bad blessings or curses riches or poverty etc As a result the firstborns and especially the first sons require special favor from God to prosper in life God in His infinite mercies provided a way of escape for all firstborns and first sons and that is redemption in Jesus Christ Deliverance of the Firstborn and First Sons is an in depth study of firstborns and first sons It extensively explores the general and scriptural overview as well as the hope of redemption for the firstborn and first sons There are also prayer points to be used as a guide in the prayers of deliverance This book is a must for all firstborns and first sons as well as believers as it offers vital information on this topic that we need to know 38 **The Firstborn Son in Ancient Judaism and Early Christianity** Kyu Seop Kim, 2019-01-28 Despite scholars ongoing historical and sociological investigations into the ancient family the right and the status of the firstborn son have been rarely explored by NT scholars and this topic has not attracted the careful attention that it deserves This work offers a study of the meaning of the firstborn son in the New Testament paying specific attention to the concept of primogeniture in

the Old Testament and Jewish literature This study argues that primogeniture was a unique institution in Jewish society and that the title of the firstborn son indicates his access to the promise of Israel and is associated with the right of the inheritance i e primogeniture including the Land and the special status of Israel □□□□ □□□□ □□□□ Chaim Miller,2005-05

Numbers Dennis T. Olson,2012-08-01 Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry *THE MAGNIFICENCE OF THE 3* Timeout A. Taumua,2023-10-05 Greetings The *THE MAGNIFICENCE OF THE 3* title was extracted from a quote attributed to the legendary NIKOLA TESLA stating that If you only knew the magnificence of the 3 6 and 9 then you would have the key to the universe The magnificence of the three as I claim was a reference to the atom s three particles Yes I found the ATOM in the Torah If you know then you know the implications As I followed its tracts to the New Testament God revealed to me the identities of the Tree of Knowledge Tree of Life Garden of Eden and the Ark of the Testimony along the way Scientists define their design and purposes without understanding and inadvertently reveal God s hidden treasures Come review the record for yourself and for your elders before they move on You will never fully know God until you know what this Garden is and its Trees God s design is a thing of beauty and it cannot be accessed with faith So enjoy and meet God the Scientist Creator of Heaven and Earth Messianic Revelation in the Old Testament Gerard Van Groningen,1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work 02 Exodus □□□,2021-08-30 KJV Reference Bible 02 Exodus 2021 8 30 57 20 11 010 2491 4620 2014 10 1 2 000 ISBN 979 11 90104 82 1 979 11 90104 84 5 3
