The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon's Jr's The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work's title author year of first publication literary prizes and a brief plot summary Information on film adaptation's of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered

The Flight of the Dragon: An Essay on the Theory and Practice of Art in China and Japan, Based on Original Sources Laurence Binyon, 2024-11-07 The Flight of the Dragon by Laurence Binyon is a masterful exploration of the philosophical principles aesthetics and cultural significance of Chinese and Japanese art First published in the early 20th century the book offers a thoughtful and deeply informed essay on the theory and practice of Eastern art drawing from original sources to provide readers with an authentic understanding of the traditions that shaped these artistic expressions Binyon delves into the spiritual and philosophical foundations of East Asian art particularly the influence of Taoism Zen Buddhism and Confucian ideals He discusses how these philosophies inform both the technique and purpose of painting calligraphy and other art forms with an emphasis on simplicity spontaneity and harmony with nature Through this lens Binyon reveals that art in China and Japan is not merely a means of representation but a spiritual discipline a way of capturing the essence of the subject rather than its appearance The book contrasts Eastern artistic ideals with those of the Western tradition inviting readers to appreciate the subtle differences in how beauty balance and creativity are approached in different cultures Binyon also provides insight into the lives and works of influential artists and explains how brushwork composition and subject matter reflect deeper cultural values The Flight of the Dragon remains a landmark study in the field of art criticism and cultural exchange offering a nuanced perspective on the intersection of philosophy and artistic practice For readers interested in Chinese and Japanese art aesthetics or cross cultural studies Binyon's work provides a

poetic and scholarly introduction to the unique vision of the East His elegant prose and deep admiration for the subject make this book a timeless meditation on the nature of art and creativity across cultures **The Wonderful Land of Bed-Time**

The Greatest Children's Classics Of All Time is a monumental anthology that offers a sweeping exploration of themes ranging from adventure and moral lessons to whimsy and myth. This collection features a tapestry of literary styles and narratives uniting timeless tales and imaginative worlds that have captivated the young and the young at heart for generations. From the surreal landscapes of wonderlands and the moral dilemmas posed in fabled utopias, the anthology is an enchanting blend of evocative storytelling that challenges and delights the reader. Each piece, while distinct in its narrative technique, contributes to a mosaic of storytelling excellence, with standout narratives that continue to resonate across cultures and generations. The anthology assembles an extraordinary cast of literary figures whose collective works have defined and expanded the canon of children's literature. Encompassing the storied traditions of European fairy tales with the inventive imagination of Victorian and Edwardian storytellers such as Jules Verne and Louisa May Alcott, these authors represent rich literary movements and cultural contexts. Interlacing the imaginative prowess of fantasy, the moral tales of folklore, and the whimsicality of nursery tales, these voices reveal a shared commitment to instilling wonder and wisdom. Together, they enrich the anthology by presenting a harmonious dialogue among diverse cultural and temporal styles. For those seeking a comprehensive journey through the finest moments of children's literature, The Greatest Children's Classics Of All Time offers an unparalleled experience. This collection serves as an invaluable resource for readers to engage with the various personas and perspectives woven intricately into each tale. Educators, parents, and literary enthusiasts alike will find not only entertainment but also insightful dialogues in this rich array of narratives. The anthology invites readers to traverse a multifaceted landscape of stories, ensuring readers savor the educational richness and enduring appeal of these classic tales.
