The Fig Tree Blossoms Paul Liberman, 1980 **The Fig Tree Blossoms** Paul Liberman, 1976 Jesus was a Jew The writers of Scripture were Jews The early church emerged in a Jewish environment So why the tension between Jews and Christians and why have so few Jews come to believe in the Messiah In *The Fig Tree Blossoms* Paul Liberman uncovers the Jewish roots of the Christian faith and helps Gentile believers come to a deeper understanding of the historic issues that have fed Jewish suspicion of Christians and Christian prejudice toward Jews But in these last days Liberman writes God is using the emerging Messianic movement to bring many Jews into His kingdom and to awaken Gentile Christians to their Jewish faith heritage Instead of casting blame or assigning guilt Liberman calls Gentile Christians to embrace their Messianic brothers and sisters Jewish expressions of faith in much the same way Paul encouraged his fellow Jews to embrace Gentile believers who were entering the first century church Discover how the fig tree the biblical symbol for the Jewish people is blossoming and how many will come to enjoy its fruit Paul Liberman became a believer in the Messiah in 1971 He was instrumental in founding Messianic congregations in Washington D C and San Diego and co led a congregation in Israel For five years he served as the Executive Director of the International Messianic Jewish Alliance and is currently Publisher of *The Messianic Times* newspaper a board member of MAOZ Inc Israel and President of the Messianic Jewish Alliance of America

Restoring the Fortunes of Zion Rob Yule, 2017-09-20 *Restoring the Fortunes of Zion* tells the dramatic story of the reemergence of Israel onto the stage of modern history from the genocidal fury of the Holocaust to its extraordinary survival in face of regional hostility and global contempt It shows how the return of the Jewish people from two millennia of exile

realizes with uncanny accuracy the visions of the biblical prophets and explores what this signifies for the future Rob Yule brings together accessible scholarship biblical historical geographical political and theological with strong advocacy to create a book that I found riveting and moving I commend Restoring the Fortunes of Zion to all those who wish for a clearer sense of Israel its emergence from desolation to vitality and those who helped and hindered its progress It is an exceptionally valuable resource Dame Lesley Max Auckland The publication of Restoring the Fortunes of Zion is extraordinarily timely and vital for our understanding of current world events It enables us to better understand from a biblical perspective what has happened in Israels past what is happening in Israel today as well as what is going to happen to Israel in the future Revd Murray Dixon Palmerston North Rob Yules book weaves together a carefully researched erudite scholarly but eminently readable and fascinating account of Israel He intertwines and interprets the history politics military strategy theology and culture of the region in the past present and future The sweep of his vision is as breath taking as the intriguing subject matter that he covers Revd Owen Hoskin Auckland **Hugh Schonfield** Owen Power,2013-03-13 With this book Owen Power offers the first full length intellectual history of the thinker Hugh Schonfield 1901 1988 Power contextualises Schonfield and his work in the spheres of Jewish ideology and Messianic Jewish politics as a means to explain the complicated nature of Messianic Jewish identity There are many problems in making sense of the varied claims made about the Jewishness of Jewish Believers in Jesus as there is a striking lack of agreement as to their Jewish status among halakhic authorities and there is no real consensus among Messianic Jews themselves in answering the question Who is a Messianic Jew On the other hand the attitude of many Jewish commentators regarding Messianic Jews is that they are traitors and apostates pretending to be Jews Christian missionaries hell bent on enticing Jews from their communities to the welcoming embrace of the Church Normative Jewish opinion tends to treat Jewish Believers in Jesus as a monolithic group and thus fails to recognise the wide range of groups and individuals who claim to be Messianic Jews even if there is among them little consensus as to what such a label means Schonfield s case both reinforces such convictions and problematizes them

Christian Zionism Faydra L. Shapiro,2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement s pro Israel politics or its theology What if we listened seriously to what Christian Zionists and Jewish partners said about Jews Judaism and Israel Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship community centers rallies and of course in Israel As such Christian Zionism is a useful case that allows us to think about contemporary Jewish Christian relations in new ways While some would argue that this is really just about pro Israel alliance building Christian Zionism Navigating the Jewish Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity Christian Zionism serves as one chapter in the history of two religious

communities and the fraught relationships between them facing together the globalized world of the twenty first century

Encyclopedia of Protestantism J. Gordon Melton, 2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism

Pluralism Comes of Age Charles H. Lippy, 2015-05-20 This acclaimed work surveys the varied course of religious life in modern America Beginning with the close of the Victorian Age it moves through the shifting power of Protestantism and American Catholicism and into the intense period of immigration and pluralism that has characterized our nation s religious experience

Contemporary American Religion Penny Edgell, Nancy L. Eiesland, 2000-01-01 No single narrative or theory can describe the varieties of religious experience in North America today The tidy dichotomies of liberal conservative public private local global and renewal secularization make little sense once specific congregations are examined closely To understand the shifting boundaries of contemporary religious expressions new tools are needed Contemporary American Religion collects qualitative on the ground studies of local congregations by up and coming religious scholars Ethnography combined with more traditional sociological methods help make sense of complex religious communities from Messianic Jews to evangelical feminists from Gospel Hour at a gay bar to exurban megachurches This collection covers a wide span of the religious landscape always trying to uncover new theoretical insights Essential reading for classes in sociology of religion contemporary American religion and anthropology of religion
