The Films Of Ronald Reagan:

The Films of Ronald Reagan Tony Thomas, 1980 An illustrated book on Ronald Reagan and his movie career Includes summaries of his films and contemporary reviews **Ronald Reagan The Movie** Michael Rogin, 1988-07-15 The fear of the subversive has governed American politics from the racial conflicts of the early republic to the Hollywood anti Communism of Ronald Reagan Political monsters the Indian cannibal the black rapist the demon rum the bomb throwing anarchist the many tentacled Communist conspiracy the agents of international terrorism are familiar figures in the dream life that so often dominates American political consciousness What are the meanings and sources of these demons Why does the American political imagination conjure them up Michael Rogin answers these questions by examining the American countersubversive tradition **Becoming Ronald Reagan** Robert Mann, 2019-10-01 In the 1960s transitioning from acting to politics was rare Ronald Reagan was not the first to do it but he was the first to jump from the screen to the stump and on to credibility as a presidential contender Reagan s transformation from struggling liberal actor to influential conservative spokesman in five years and then to the California governorship six years later is a remarkable and compelling story In Becoming Ronald Reagan Robert Mann explores Reagan s early life and his career during the 1950s and early 1960s his growing desire for acclaim in high school and college his political awakening as a young Hollywood actor his ideological evolution in the 1950s as he traveled the country for General Electric the refining of his political skills during this period his growing aversion to big government and his disdain for the totalitarian leaders in the Soviet Union and elsewhere All these experiences and more shaped Reagan s politics and influenced his career as an elected official Mann not only demonstrates how Reagan the actor became Reagan the political leader and how the liberal became a conservative he also shows how the skills Reagan learned and the lessons he absorbed from 1954 to 1964 made him the inspiring leader so many Americans remember and revere to this day Becoming Ronald Reagan is an indelible portrait of a true American icon and a politician like none other Purchase the audio edition Ronald Reagan John P. Diggins, 2007-02-06 This is a revealing portrait of great character a book that reveals the 40th president to be an exemplar of the truest conservative values and one of the America s greatest presidents 13 photographs Ronald Reagan James H. Broussard, 2014-08-27 Few politicians in recent American history are as well known as Ronald Reagan the 40th U S president An iconic leader Reagan shifted the direction of American politics toward a newly vigorous conservatism Though he began his career as a New Deal liberal by the end of the 1950s Reagan had embraced conservative views His presidency saw the longest peacetime prosperity in American history as well as the fall of the Berlin Wall and the end of the Cold War but also skyrocketing deficits and the Iran Contra scandal In the twenty first century Reagan s legacy is both pervasive and contested with supporters and detractors often divided along partisan lines Yet Reagan s own actions did not always fit into partisan boxes In a clear eyed and insightful narrative James H Broussard cuts through the mythology of both sides to produce a nuanced portrait of Reagan in his historical context Supported by

The Education of Ronald Reagan Thomas W. Evans, 2006-12-05 In October 1964 Ronald Reagan gave a televised speech in support of Republican presidential nominee Barry Goldwater The Speech as it has come to be known helped launch Ronald Reagan as a leading force in the American conservative movement However less than twenty years earlier Reagan was a prominent Hollywood liberal the president of the Screen Actors Guild and a fervent supporter of FDR and Harry Truman While many agree that Reagan's anticommunism grew out of his experiences with the Hollywood communists of the late 1940s the origins of his conservative ideology have remained obscure Based on a newly discovered collection of private papers as well as interviews and corporate documents The Education of Ronald Reagan offers new insights into Reagan's ideological development and his political ascendancy Thomas W Evans links the eight years 1954-1962 in which Reagan worked for General Electric acting as host of its television program GE Theater and traveling the country as the company's public relations envoy to his conversion to conservatism In particular Evans reveals the profound influence of GE executive Lemuel Boulware who would become Reagan's political and ideological mentor Boulware known for his tough stance against union officials and his innovative corporate strategies to win over workers championed the core tenets of modern American conservatism free market fundamentalism anticommunism lower taxes and limited government Building on the ideas and influence of Boulware Reagan would soon begin his rise as a national political figure and an icon of the American conservative movement

Ronald Reagan Michael Schaller, 2011 In this era of polarized politics the image of President Ronald Reagan stands as a litmus test for party loyalty To the conservative right Reagan is the Great Communicator a venerated icon of independent American spirit who restored national pride and power To those on the left
