The Final Commandments:

Lectures on the Four Last Commandments, delivered in the Chapel of Eton College, in March 1850

LECTURES.,1850 **The Final Call** Prince Nyazika,2011-04-02 The Biblical Sabbath and its true Calendar Jews Seventh day Adventists and many other Sabbatarians observe the Sabbath on Saturday basing this practice on the fact that Saturday is the 7th day of the Gregorian calendar week But is this truly the Sabbath of the Creator mentioned in the Scriptures Can a divine institution sanctioned by the Creator of the Heavens and Earth be observed on a calendar that has its roots in paganism or is there more to the Sabbath question than many honest truth seeking Christians have dared to ask This book will reveal why neither Saturday nor Sunday are NOT the 7th day Sabbath of the Lord This is the message of the hour

The Nine Commandments David Noel Freedman,2002-05-14 In a book certain to be as controversial as Harold Bloom s The Book of J and Elaine Pagels s The Gnostic Gospels David Noel Freedman delves into the Old Testament and reveals a pattern of defiance of the Covenant with God that inexorably led to the downfall of the nation of Israel the destruction of the Temple and the banishment of survivors from the Promised Land Book by book from Exodus to Kings Freedman charts the violation of the first nine Commandments one by one from the sin of apostasy the worship of the golden calf Exodus 32 to murder the death of a concubine Judges 19 25 26 to false testimony Jezebel s charges against her neighbor Naboth I Kings 21 Because covetousness Freedman shows lies behind all the crimes committed each act implicitly breaks the Tenth Commandment as well In a powerful and persuasive argument Freedman asserts that this hidden trail of sins betrays the hand of a master editor who skillfully wove into Israel s history a message to a community in their Babylonian exile that their fate is not the result of God s abandoning them but a consequence of their abandonment of God With wit and insight The Nine Commandments boldly challenges previous scholarship and conventional beliefs David Noel Freedman has been General Editor and a contributing coauthor of the Anchor Bible series since its inception in 1956 He is a professor in Hebrew Bible at the University of California San Diego and lives in La Jolla California Seventh Day, The Final Act of Creation, The James Madison McCauley III,2016-10-06 Remember the Sabbath day to keep it holy Exodus 20 8 But what does that really mean Why is Sunday worship more prevalent in Christianity today What makes the Sabbath so special anyway These are the kind of questions James McCauley seeks to answer in The 7th Day The Final Act of Creation The Sabbath is often problematic for new and even lifelong members of the Seventh day Adventist faith McCauley dives deep into this topic and explains it from every angle Masterfully addressing every controversy around it McCauley aims to show the Sabbath s relevance in the world today Beginning with its history nothing could be more fundamental to appreciating the Sabbath than understanding why it came into existence in the first place Moving on to establish that it has a place in both the Old and New Testaments McCauley makes clear that the Sabbath unlike its Sunday counterpart holds special blessings for those who keep it The 7th Day helps one understand not only the Sabbath s scriptural foundation but also its beauty and the life giving peace it

provides **The Final Rollercoaster** Desmond Ford, 2010-12-03 We are all interested in the future because that's where we are hoping to live In the Bible the special book about the future is the last one the book of Revelation It is often thought to be a mysterious book but in fact it's a mosaic of over 500 Old Testament references These references are the keys with which we may unlock the Apocalypse Prominent in its forecasts are allusions to Jezebel and Elijah Most have heard of the world's last conflict called Armageddon But few realize that Armageddon cannot be understood without studying its Old Testament source the histories of Ahab Jezebel Elijah at Mount Carmel and the destruction of idolaters in the Kishon Valley at Megiddo which is the Hebrew root name for the Greek word Armageddon Desmond Ford has two doctorates and two of his postgraduate degrees are in eschatology He has written 10 books on Daniel and Revelation and lectured in many countries on these themes Here Ford focuses in on future events typified by the Old Testament stories of Elijah versus Jezebel Central to this study are investigation into Antichrist and his attacks on the latter day church Revelation's messages for an imperiled world are central in this book **The Rapture, the End-times and the Millennium** Russell R. Standish, Colin D. Standish, 2004 Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ *11 Through 20... the Next Ten Commandments* Don Stuck II, 2010-03 This book outlines what the author believes to be ten important issues or concepts that merit discussion or at least some thought Some are not new ideas by any stretch of the imagination but may have been glossed over over reported or covered and debated so much they may have lost their luster and are worth polishing up for a fresh roll in the brain The others you will find enlightening if you happen to find yourself in violation for lack of a better word Now with a new official title of Commandment perhaps some older but still relevant concepts may be revived and repaired and the new ideas understood and accepted Let's face it it's tough to get a new idea across anyone these days But when it's a commandment well how can you say no to a commandment Though obviously not written by God himself the wish is that after finishing the book you will agree that keeping 11 thru 20 in mind and executing the fundamental spirit of the script would not be a bad thing Just like the original version History has shown that nothing is fiercer than an aroused mind moving in the direction of positive change The Bible is a magnificent book and reveals itself with the wonderful vernacular of the time Like listening to the inflection and dialect delivered by the actors from a movie shot in the 1930's turning the pages of the Bible is like eavesdropping on another time But unlike the thirties these days most men don't call each other Fella Mac or Daddy O as often as they once did So to have been dropped words like begat shalt and thou In the interest of smooth reading and less aspirin Don't shalt uh shall leave the tradition speak of the day to the titles of the commandments only and opt for an easier more casual discussion into their meaning **The Historical Jesus and the Final Judgment Sayings in Q** Brian Han Gregg, 2006 Insisting that the potential historicity of Q's eschatological traditions be given due consideration Brian Gregg's study explores the content and authenticity of the final judgment sayings in Q in light of the historical Jesus **BOOK JACKET**
