Sins Of Scripture Beyond Texts Of Hate To Reveal The God Of Love:

The Sins of Scripture John Shelby Spong, 2009-10-13 In the history of the Western World the Bible has been a perpetual source of inspiration and guidance for countless Christians. However, this Bible has also left a trail of pain. It is undeniable that the Bible is not always used for good. Sometimes the Bible can seem overtly evil. Sometimes its texts are terrible. Bishop John Shelby Spong boldly approaches those texts that have been used through history to justify the denigration or persecution of others while carrying with them the implied and imposed authority of the claim that they were the Word of God. As he exposes and challenges what he calls the terrible texts of the Bible, laying bare the evil done by these texts in the name of God, he also seeks to redeem these texts, hoping to recover their ultimate depth and purpose. Spong looks specifically at texts used to justify homophobia, anti-Semitism, treating women as second-class humans, corporal punishment, and environmental degradation, but he also delivers a new picture of how Christians can use the Bible today. As Spong battles against the way the Bible has been used throughout history, he provides a new framework, introducing people to a proper way to engage this holy book of the Judeo-Christian tradition.

Beyond Biblical Theology Timo Eskola, 2013-10-02 Reading Heikki Rissanen's hermeneutics in context. Timo Eskola explores the development of Western New Testament interpretation. Reclaiming a Wredean approach to the Scriptures, Rissanen focuses on tradition and interpretation. He builds on Weberian sociology adopted through Peter Berger's theories and substitutes sacralized culturalism for biblical theology. After examining fourteenth-century Quran criticism and its impact on Reimarus, Eskola discusses the genesis of the revised history of religion theory that Rissanen developed when investigating the Quran's relationship to the Bible. Sociology then becomes a link between standard historicism and poststructuralism, as Rissanen reinterprets Berger's sociology of knowledge. Rissanen's sacralized culturalism finally becomes the theory from which his magnum opus, *The Rise of Christian Beliefs*, has been written.

Eternal Life: A New Vision John Shelby Spong, 2009-09-01 Drawing on a lifetime of wisdom, New York Times bestselling author and controversial religious leader John Shelby Spong continues to challenge traditional Christian theology in *Eternal Life: A New Vision*. In this remarkable spiritual autobiography about his lifelong struggle with the questions of God and death, he reveals how he ultimately came to believe in eternal life.

Bloody, Brutal, and Barbaric? William J. Webb, Gordon K. Oest, 2019-12-03 Christians cannot ignore the intersection of religion and violence. In our own Scriptures, war texts that appear to approve of genocidal killings and war rape raise hard questions about biblical ethics and the character of God. Have we missed something in our traditional readings? Identifying a spectrum of views on biblical war texts, Webb and Oest pursue a middle path using a hermeneutic of incremental redemptive movement ethics.

Moses Maurice D. Harris, 2012-03-01 In *Moses: A Stranger among Us*, Rabbi Maurice Harris leads us to look beyond familiar and popular portrayals of Moses so that we can discover the Moses whose lesser-known attributes and experiences provide us with surprisingly fresh ethical and spiritual guidance. Harris offers many angles on his subject, interweaving traditional religious interpretations, academic Bible

scholarship psychological and sociological analysis feminist readings and more Combining deep respect for the biblical text with a willingness to question received tradition Harris reveals a complex Moses whose life story gives us important tools for better understanding issues like religious fundamentalism intermarriage identity confusion civil disobedience gay and lesbian equality and the nature of sacred mythic storytelling Written in a refreshing plainspoken voice for people of all faiths or none the result is a volume of creative thought provoking and exciting readings of the Bible **The New Heretics** Rebekka
